Subject:—General Election, 1957—Procedure for submission and payment of travelling allowance bills of Central and State Government servants as well as non-Government employees in respect of tours for the conduct of poll to be undertaken by them in connection with the coming General Elections.

No. T.M./600.—18th February 1957.—It is hereby notified for the information of the Treasury Officers and Sub-Treasury Officers in West Bengal and all Drawing and Disbursing Officers of both Central and State Governments under the audit control of this office that the following procedure has been set forth by the State Government for the payment of travelling allowance bills of both Central and State Government servants as well as non-Government employees in respect of the tours for the conduct of poll to be undertaken by them during the coming General Elections:—

(i) Travelling allowance will be drawn as on tour.

(ii) The *State* Government servants are entitled to an increase of 50 per cent. in the rates of daily allowance and *mileage allowance for journeys by road only* in connection with their tours for the conduct of poll. The Central Government servants employed on election duty are not, however, eligible for the benefit of 50 per cent. increase referred to above; they will be paid travelling allowance only at rates admissible to them under the Central Government rules.

(iii) The benefit of enhanced rates of daily allowance and mileage allowance is not admissible to staff who may be required to attend training classes and polling rehearsals in connection with the elections; only ordinary rates of travelling allowance should be paid, where admissible, under the normal service rules. This is applicable only to State Government servants.

(iv) The Returning Officers of the State Government are authorised to act as Controlling Officers in respect of travelling allowance bills of all the staff—Gazetted or non-Gazetted—whether employed under this State or under the Government of India as well as non-Government employees who may have to work as Presiding and Polling Officers. They are also authorised to act as Drawing and Disbursing Officers in respect of all the expenditure in this behalf.

(v) The travelling allowance advance which may be paid to the staff should be adjusted by reduction from their travelling allowance bills which will be cashed by the Returning Officers.

(vi) In cases where the same polling parties will be employed for polling duties by separate Returning Officers within a district and where their movements will be organised on a district basis, the bills should be prepared and passed in the following manner:—

The respective Returning Officers should scrutinise and countersign the bills so far as they relate to their areas and the District Magistrate of the district in which the Government servant is posted will act as Drawing and Disbursing Officer in respect of all journeys within the district. [*Vide* Government of West Bengal, Home (Constitution and Elections) Department, memorandum No. 1164(70)A.R., dated 11th February 1957, read with that department letter No. 699A-12, dated 25th January 1957.]

2. The Returning Officers may ensure that the full accounts classifications are recorded on each bill, the classification in the State budget being taken as a guide and that in cases where the bills are drawn up in accordance with Central Government Rules, a note to the effect that the Central Rules have been applied is invariably recorded in the "remarks column" of the travelling allowance bill, indicating therein the particulars in respect of the officer for whom the travelling allowance is claimed (viz., name of the office and the designation of the officer).

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Esavi India Match Manufacturing Co., 47 Muraripukur Road, Calcutta-11, and their workers represented by Esavi Mazdoor Union, 242/2 Manicktolla Main Road, Calcutta.

BEFORE THE FIFTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI G. PALIT, *Judge, Fifth Industrial Tribunal.*

Present for the Union: Shri Sunil Dhar, Pleader.

Present for the Company: Shri P. K. Sanyal, Advocate, with Shri Kamaksha Guha, Pleader.

1. By Government order No. 1827Dis./D/11L-94/54, dated the 5th May 1956, the aforesaid dispute has been referred to the Fifth Industrial Tribunal presided over by me, for adjudication under section 10 of the Industrial Disputes Act, 1947 (XIV of 1947). The said Fifth Industrial Tribunal was constituted under section 7 of the Act by the notification No. 3581Lab., dated the 9th June 1951.

2. The reference was received here on 11th June 1956. The Union filed written statement on 21st June 1956. The Company filed written objection on 16th July 1956. After several adjournments the case was taken up for hearing on 21st December 1956 and continued on 3rd January 1957 and 4th January 1957 when the evidence was concluded. The argument was heard on 24th January 1957. One witness was examined on commission for the Company on 29th November 1956. The award was reserved.

3. The only issue contained in the schedule to the order of reference stands as follows:—

(1) If the refusal to allow Shri Lokeman Hossain to resume work is justified? To what relief is he entitled?

AWARD

4. According to the Union, there was a Company-sponsored Union already in existence. The present new Union was formed sometime in 1954. A demand for bonus was placed before the Company by the new Union on 18th September 1954. Lokeman was the Vice-President of the said new Union. He is said to have been victimised for his Union activities. False charges are said to have been concocted against him. He was placed under suspension with effect from 28th February 1955 and was finally dismissed on 26th November 1955 in contravention of section 33 of the Industrial Disputes Act, 1947, there having been a conciliation proceeding pending before the Labour Commissioner. The Union presses for his reinstatement with compensation for the period of forced unemployment.

The Company gives a categorical denial of all the allegations made against it by the Union. It specifically denies the Union's contention that the Company received a demand for bonus from the new Union, and that it was aware that Lokeman was the Vice-President of said Union. On 28th February 1955 Lokeman had a quarrel with another workman, named Ramkisson, over the taking of a trolley, and he attempted to assault the latter. The departmental officer, Janab Abuli Milky, came over and stopped the quarrel. Lokeman then violently pushed Janab Milky. Janab Milky would have sustained serious injuries as a result of the push but for the support on the body of a workman who was standing by. On hearing the incident, the Manager drew up a charge-sheet against Lokeman. Lokeman refused to accept the said charge-sheet. He was then placed under suspension forthwith. Lokeman did not attend the enquiry which next followed. When he eventually turned up at the gate on 8th April 1955, he was confronted with the witnesses examined. He did not cross-examine the witnesses. Eventually Lokeman was dismissed with effect from 26th November 1955.

It is the Union's contention that Lokeman has been victimised on concocted charges. Exhibit A, which is the Union's letter, dated 2nd March 1955, addressed to the Manager of this Company, sets forth certain allegations, viz., (i) Lokeman was not paid his wages on the days he attended the Labour Commissioner's office in connection with the bonus case; (ii) he was not given increment though it was paid to every other worker of the department; (iii) Lokeman's wife Teri Bibi was not given maternity benefits, etc.

Now, in the Exhibit A1, dated 1st March 1955, which is addressed by the Secretary of the Union to the Labour Officer, it is alleged that Lokeman Hossain has been victimised on concocted charges with the help of a number of men of the puppet Union. So let me examine how far the allegations have been proved by evidence before me. From the evidence of Janab M. T. Basrai, O.P.W. 4, at page 3, it appears that Kanai, Joilal and Lokeman received half day's wages on 10th February 1955 when they are said to have attended the conciliation meeting. Basu and Bachan Singh were given full day's wages when they attended the Labour Commissioner's office. The Wage Register was placed before the Union during the Tribunal proceeding just to show from it if any of these men who had attended the Labour Commissioner's office was denied wages in consequence thereof. The Union could not show it. So this allegation of the Union

stands disproved. Then, regarding the withholding of Lokeman's increment I get from the testimony of this witness as follows:—

> "Lokeman was also given increment along with others. The first increment was given to everybody. The second increment was given gradewise. But Lokeman was not given full increment on this gradewise basis because he did not give full production."

Then, regarding maternity benefits to Lokeman's wife Teri Bibi, I get from the evidence of Lokeman himself as follows:—

> "Teri Bibi was my wife. I divorced her. I divorced her in March 1955. Teri Bibi was not in the employ of the Company when I divorced her. But now she is in the employ of the Company. We claimed maternity benefits for Teri Bibi from the Company. The Company did not grant it. This claim was made sometime in 1954. It is not a fact that in March 1955 after my suspension, the claim for maternity benefits regarding Teri Bibi was made by the Union.....I do not know if Teri Bibi got maternity benefits from the Company."

It is the contention of the Company that Teri Bibi was given maternity benefits, and in March 1955, this claim was made. So, it can never be said that the Company had any grudge against Lokeman, and for a matter of that, against his wife, Teri Bibi. Besides, she was already divorced and she is still in the employ of the Company. This ought to disarm all suspicions on this score. So it appears that the Union was bent on making wild suggestions thereby trying to build up its story of alleged victimisation of Lokeman. This bents hollow the background in which Lokeman's dismissal was sought to be placed by the Union with the manifest motive to prejudice the Tribunal against the Company. It is alleged by the present Union that the Company has got a puppet Union of its own already in existence. But the evidence before me makes it clear that it is the old Union which is more active, and it is that Union which can deliver the goods. Shri Naren Sen, P.W. 2, who is the Secretary of the new Union, admits at page 2 of his deposition that during the pendency of their claim for bonus, the Company entered into a settlement with the other Union. He further admits that everybody was paid according to that agreement. He also admits that in August 1954, a general increment was given as a result of an agreement between the Company and the other Union. He contends that all the departments did not share this increment. But he, however, says that he does not know if everybody was paid increment barring the highly-paid officers. P.W. 3, Manik Chand, who is a member of the new Union, admits at page 3 of his deposition: "In May 1954 and in August 1954, we had our wages increased at the instance of Santi Babu's Union .....At the instance of Santi Babu's Union we got bonus to the extent of Rs. 20.....In 1953, there was a dispute brought before this Tribunal at the instance of Santi Babu's Union." So it is abundantly clear that it is the other Union which is really functioning. The new Union is desperately fighting to maintain its existence. So the allegation of "puppet Union", meaning the old Union, is equally frivolous as the other allegations already discarded by me.

Next, I come to the incident itself. Lokeman Hossain in his letter to the Company, dated the 4th March 1956, which forms a part of the Annexure to the Union's written statement, said, "The true fact was that when the car came to M.T. machine I went there to bring the same. After a while, Ramkishon came and claimed the car. But as a general procedure he who

goes to the machineman Rashid first, should have the car. But unfortunately Ramkishon tried to snatch it away in an unjustified manner. But as he failed, he pushed me, but yet I did not give the car to him. At this he became furious and tried to assault me and, I had, therefore, no other alternative but to defend myself. The departmental officer came to the spot when the matter ended." But this is falsified by the evidence of his own witnesses before the Tribunal. Manik Chand, P.W. 3, gives his version as follows:—

> "On the 28th February 1955, it was Lokeman who first put the number on the trolley. He went to have a drink. Ramkishon turned up meanwhile and affixed his number on the said trolley. Lokeman turned up and is going to take away the trolley on which he had put his number. Ramkishon would not allow him to take the trolley. Then there was an exchange of pushing between the two. Abuli Sahib turned up meanwhile and both the men stood apart."

He further says that on hearing from him, Abuli Sahib allowed Lokeman to take away the trolley. Ramkishon was given another. P.W. 4 Rashid says in cross-examination that he had deposed before the Labour Commissioner. On the first day he deposed that Lokeman went to push Kisson, and when Abuli Sahib intervened, Lokeman went to assault him. After some days when he went to the Labour Commissioner's office again with some members of the new Union, he repudiated there his former statement. So, either no importance should be attached to the evidence of this witness or he should be taken to have supported the Company's version of the matter. P.W. 5 Mata Prosad reached the place when the occurrence had already ended. Mr. Adam, O.P.W. 1, who was the in-charge officer of the department, says that on 28th February 1955 when he was before the Manager, Janab Abuli Milky complained to the Manager that he had been pushed by Lokeman. The Manager drew up a charge-sheet and asked him to make over the same to Lokeman. Md. Haza, O.P.W. 2, gives his version as follows: "Ramkishon stood by the side of the empty machine of Rashid when I was by the side of Korban's empty machine. Lokeman was not there. When the trolley was unloaded by the side of Rashid's machine, Kisson was taking away the trolley. Just then Lokeman came and claimed the trolley saying that he had booked the same.....In this way they started pushing each other. Just then the departmental in-charge Abuli Sahib came there. Abuli Sahib snatched away the trolley from their hands when they were pushing and abusing each other. Lokeman pushed Abuli Sahib. Abuli Sahib fell down on Debi Singh who stood just behind him, and thus escaped falling down on the ground." From all the above evidence it has emerged that there was some misunderstanding between Lokeman and Ramkishon as to who had better claim to the trolley in question on the strength of priority. Considering the ilk of these men, I am only readily disposed to believe that they started pushing each other, but none would part with the trolley. Abuli Sahib who turned up just then, snatched the trolley away from both. Lokeman would not tolerate this, and so he tried to assault Abuli Sahib. He gave him a push which but for Debi Singh's support from behind, woud have caused Abuli Sahib fall on the ground with resulting injuries on him. But Abuli Sahib did not lose his temper. After an enquiry he allowed the disputed trolley to be taken away by Lokeman because he found that Lokeman had priority claim to it. This clearly shows that Abuli Sahib had no grudge against Lokeman. So it is difficult to believe that he made a false complaint to the Manager then and there such as to induce him to issue a charge-sheet against Lokeman at once. So I accept the version of the Company about

the incident against Lokeman. Regarding the refusal of the charge-sheet and the enquiry in which Lokeman did not participate, I do not attach much weight to it in the present case because the entire matter has been placed before me in all its bearings. Both sides had ample opportunities of placing their evidence before the Tribunal, and they did that elaborately. I do not think that the situation would have improved if there was a charge-sheet followed by an enquiry in the manner indicated by the Manager. Now, if the incident is believed, the company was fuly justified in dismissing Lokeman from its service and placing him under suspension forthwith. To do otherwise would have resulted in discipline being impaired in the factory. Besides, in the present case the Company waited sufficiently long time from March to November during the pendency of the conciliation proceeding. So, if section 33 was violated eventually by the order of dismissal, I cannot blame the Company much. So the infringement of section 33 cannot in the present case give rise to any adverse presumption against the Company. So, having regard to all these facts and circumstances, I answer the issue against Lokeman. He was rightly refused to get into the factory, and he is entitled to no relief in my hands.

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI J. N. MAITRA, *Judge, Third Industrial Tribunal*

For the worker: Shri Suprobhat Mukherjee.

For the company: Shri Radha Krishna Jhunjhunwalla.

AWARD

1. By order No. 2257Dis./D/7L-33/56, dated the 28th May 1956, the Government of West Bengal, in the Labour Department referred under section 10 of the Industrial Disputes Act, 1947, the industrial dispute between Messrs. Shri Ganesh Jute Mills, Ltd., 105 Stephen House, Dalhousie Square East, Calcutta and one of their employees Shri Prafulla Kumar Banerjee represented by Bengal Chatkal Mazdoor Union, 80 Dawnagazee Road, P.O. Bally, Howrah, regarding the matters specified in the schedule, to the Third Industrial Tribunal constituted under section 7 of the Industrial Disputes Act, 1947, by notification No. 592Dis./D/12L-5/52, dated the 23rd February 1953, for adjudication.

2. After usual summons the parties put in appearance and filed their written statements. The pleadings were completed on 28th August 1956. The parties were thereafter directed to file lists of documents. The dispute was heard on 11th January 1957 and the award was reserved.

3. The matter of dispute as stated in the schedule to the order of reference is as follows:—

(1) Whether the dismissal of Shri Prafulla Kumar Banerjee was justified; whether he is entitled to reinstatement and/or any other relief by way of compensation and dues.

DECISION

Shree Ganesh Jute Mills, Ltd. (hereafter called the company), is a limited concern doing business in jute. It has a Mill at Howrah and its Head Office is situated at 105 Stephens House, Dalhousie Square East, Calcutta. Workman Shri Prafulla Kumar Banerjee was employed as a motor driver in the Head Office of the company having joined in September 1950. According to the workman he was dismissed and according to the company he was discharged on 5th June 1955. Hence the dispute.

The workman alleged that as he was making grievances, among others, about overtime wages and employment on Sundays and scheduled holidays, he was suddenly dismissed on 5th June 1955 without any charge-sheet and in violation of the principles of natural justice.

In reply the company denied the allegations and alleged that the employee had been of late systematically negligent of his duties and very careless in handling and maintaining the car under his charge. There

was continuous break down of the machinery parts and the employer had to pay for repairs very frequently. There had been occasions when there were very cogent reasons to suspect that the driver removed and/or put out of order some intricate machinery parts and falsely represented that the car required repairs and the employer was made to incur costs unnecessarily. Several warnings proving unavailing the employer had no other alternative but to discharge him for sheer dishonesty and negligent handling of the car and the machine parts.

The workman Shri Prafulla Kumar Banerji has deposed before this Tribunal while the company has not adduced any evidence oral or documentary. In cases of dismissal or discharge for misconduct, the Tribunal will interfere if there be no evidence to support the action of the employer. It will also interfere if any of the four elements be present—

(a) There is want of *bona fides*.

(b) It is a case of victimisation or unfair labour practice or violation of principles of natural justice.

(c) There is basic error of facts.

(d) There has been a perverse finding on the materials.

In the present case, it has already been seen, that there is no evidence to support the action of the employer. It is also not disputed that there has been violation of the principles of natural justice in that the workman was not given any charge-sheet and opportunity to explain his conduct before discharge or dismissal. In the circumstances, the action of the company, it is obvious, cannot be sustained. Summary dismissal is a drastic step and if it is to be excused, the acts or neglects of the servant, of which complaint is made, must be of a serious nature and such as to show that he is not carrying out his part of the bargain in a manner going to the root of the contract. As there is nothing such to show in the present case, the discharge cannot be supported from any point of view.

Now as to the relief the evidence of the workman reveals that after dismissal he has been working in another concern. I, therefore, do not propose to direct reinstatement in the interest of both. As, however, the termination of employment was not proper, I award compensation to the workman. The company is directed to pay to the workman Shri Prafulla Kumar Banerji compensation equivalent to four months' salary at the rate of Rs. 130 per month drawn by him last. The compensation is to be paid within a month from the date the award becomes enforceable.

It is awarded accordingly.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. H. C. Giddings, Ltd., B-1 Hide Road, Kidderpore, Calcutta and one of their workmen Shri Amir Hussain, C/o Shri Abdul Mazeed, 13 Shamsul Huda Road, Calcutta-17 (Case No. VIII—1 of 1956).

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL, NEW SECRETARIAT BUILDINGS, CALCUTTA

PRESENT:

SHRI SAILESH SEN GUPTA, *Judge Sixth Industrial Tribunal.*

Appearances:

For the company: Shri N. M. Das Gupta, Advocate.

For the employee: Shri Suprabhat Mookerjee.

This reference made by the Government of West Bengal by order No. 3979Dis./D/11L-439/55, dated Calcutta, the 6th September 1956, is concerned with the termination of services of Shri Amir Hossain by Messrs. H. C. Giddings, Ltd.

The employee is shown in the order of reference as representing himself. He filed written statement alleging that notice of discharge was served on him on the 30th of November 1954, terminating his services from the first day of December 1954. The principle of "last come first go" was violated in so far as employees junior to him were allowed to continue in service. Reinstatement with compensation has been prayed for.

The company raised a preliminary objection that this was not an industrial dispute and as such the Industrial Disputes Act has no application. On the merits the company's case is that the persons serving under it are casual or temporary workers engaged for the execution of particular contracts secured by the company in its capacity as contractors. Amir Hossain was employed on a temporary basis for a particular job. After the completion of the job he was surplus to requirement. Accordingly his temporary employment had been terminated. He is not entitled to any relief.

The issue submitted for adjudication is in the following terms:—

1. Whether the termination of services of Shri Amir Hossain was justified? What relief is he entitled?

In view of the legal objection taken, another issue is framed as follows:—

2. Is this an industrial dispute? If not, has this Tribunal jurisdiction to make any adjudication?

Issue No. 2

The order of reference shows that one individual employee is fighting his own case. No other employees of the company and no trade union has come to his aid. From the welter of conflicting decisions reported in the journals, the position has crystallised on the decisions given by Their Lordships of the Supreme Court that an individual dispute is not *per se* an industrial dispute. It may however be transmitted into an industrial dispute if espoused by other employees of the company or by any trade union of which he is a member. The view thus expressed by Their Lordships will be found reported in 1953, 1, L.L.J. page 195. Another bench of the same court has taken the same view in the case reported in 1957, I.L.L. page 27, though in the latter case their Lordships guarded themselves against pronouncing final opinion in view of the fact that the statute they had to consider directly was not the Industrial Disputes Act. The Calcutta High Court has followed the same track in the case reported in 60 C.W.N. page 856. I have already pointed out that this employee is ploughing a lonely furrow. The dispute therefore remains an individual dispute and has not assumed the character of an industrial dispute. The Industrial Disputes Act is not hence applicable and no adjudication can be made by this Tribunal.

Issue No. 1

In view of the finding recorded above, this issue cannot be taken up for consideration.

DECISION

Issues Nos. 1 and 2 are taken up together.

For proper appreciation of the dispute it is necessary to state certain facts leading to the reference.

Indian Chemical & Therapeutical Works, Ltd. (hereafter called the Company), is a public limited concern incorporated under Indian Companies Act on the 2nd May 1938 and commenced its business from that date. It has a small factory at 9 Barrackpore Trunk Road where ampoules for injection are made and tinctures are prepared, mixed and bottled. It has got no branches anywhere in India but only one depot in Madras.

The Company has been paying wages to its workmen at a consolidated rate. In 1950 Indian Chemical & Therapeutical Workers' Union (hereafter called the union) on behalf of the workmen of the factory raised dispute among others regarding wages and dearness allowance and fitting in in the grades. These were referred by the Government to a Tribunal constituted by Shri S. C. Chakravarty for adjudication. The Tribunal gave its award which was published by order, dated 18th May 1950. Shri Chakravarty having regard to the minimum total emoluments according to the different awards relating respectively to Bengal Chemical & Pharmaceutical Works, Ltd., B. K. Pal & Co., Ltd., and *Curex* Laboratories (India), Ltd., maintained wages at consolidated rates and allowed only increments in the said wages. The Company granted the increments as per award.

After such award the Company voluntarily further increased the wages of all the workmen at a flat rate of Rs. 6 per month with effect from Jaistha 1350 B.S. (June 1951). After the said increment the union again submitted a charter of demands on 5th August 1953 (*vide* Annexure "A" to the written statement filed by the Company). On 22nd February 1954 an agreement was reached and both the parties sent the said agreement under joint signatures to the Conciliation Officer Shri A. R. Ghosh for necessary records. Under the agreement the Company agreed that all the workmen employed in the factory would receive a further increment of Rs. 5 per month in their wages, while the union agreed that all other demands included in the charter of demands would stand withdrawn (*vide* Annexure A1 to the written statement filed by the Company).

On 15th September 1954 the union wrote a letter demanding two months' wages as bonus. The Company ultimately offered by pay one month's basic pay as a special Puja relief to all permanent workmen. About 60 per cent. of such workmen were alleged to have accepted the offer and received payment. The remaining workmen refused to accept it.

On 22nd October 1954 the union submitted another charter of demands among others regarding pay and dearness allowance in identical terms as those in the anterior charter of demands, dated 5th August 1953 (*vide* Ext. D1, read with Ext. D). The Company by its letter, dated 17th June 1955, replied to the said demands to the Assistant Labour Commissioner

(*vide* Annexure "B" to its written statement). It pleaded financial inability to meet any of the demands and alleged that the said demand was put in as a counterblast to keep up the morale of those members of the union who had refused to accept the bonus.

The Company further alleged that there was an agreement on terms as below:—

(a) Those workers who were offered payment of the Puja relief mentioned hereinbefore and refused to accept the same would now accept the said Puja relief as the others did.

(b) The loan at the rate of one month's basic pay granted in the year 1953 as Puja advance would be converted as a Puja relief for that year and the same would not be recovered.

(c) An interim increment at varying rates from Rs. 2 to Rs. 6 according to the circumstances in each case would be granted subject to the condition that the matter would be reconsidered and the Company would be at liberty to stop such increment in case the Company be not exempted from the operation of the State Insurance Scheme and its application for the purpose be rejected by the Government.

(d) All other demands in the charter of demands would stand withdrawn. The President of the Union would inform the Labour Directorate about it.

On 30th August 1955 the President of the Union wrote to the General Manager of the Company to the effect as follows:—

"Apropos our conservations you are requested to grant interim increments on the condition that they will be taken up for reconsideration if no exemption from the Employees' State Insurance Scheme is procured" (*vide* Annexure "C"). The President of the Union also wrote to the Secretary, Ministry of Labour, Government of India, requesting exemption of the Company from the operation of the Employees' State Insurance Scheme (*vide* Annexure C1). Accordingly the Company granted another increment varying from Rs. 2 to Rs. 6 on 31st August 1955 to the workmen on 31st August 1955.

After receipt of such increment and other benefits, it appears, the union persisted with its demands. Consequently the Government referred the disputes to this Tribunal for adjudication under its order, dated 4th October 1955.

Against this background the union demands before this Tribunal scales of pay for different categories of workmen as follows:—

(a) Rs. 70—5—140—For clerical jobs.

(b) Rs. 80—5—160—For semi-clerical and technical jobs.

(c) Rs. 60—2—120—For work of semi-skilled nature.

(d) Rs. 50—1—70—For work of unskilled category.

The Union further demands that the new scales and grades should be introduced as to warrant proper consideration for years of service put in.

Regarding dearness allowance the union demands 100 per cent. of basic wages for holders of clerical as also semi-clerical and technical jobs, while Rs. 30 for those who draw Rs. 60 or more and Rs. 25 for those who draw less than Rs. 60 as basic pay.

The Company resists the claims. It submits that the total wages as being paid to the workmen are proper and fair and that in view of the present financial position of the Company, it cannot afford to bear additional burden. It also resists introduction of grades and scales of pay.

The union has not adduced any evidence, oral or documentary. The Company, on the other hand, has proved the audited balance-sheets and profit and loss accounts for the years 1359, 1360 and 1361 B.S. (Exts. A, A1 and A2) and other relevant documents (Exts. B, C, D, D1 and E), besides a chart.

The chart filed by the Company (Annexure D to the written statement) giving the names of the employees, their designations, initial pay, length of their service, pay under the award, dated 18th May 1950, the amounts of subsequent increments with dates thereof and the present emoluments, has been accepted to be correct by the representative of the union during hearing. The chart shows, and it is admitted by the union's representative that the Company has been paying wages at consolidated rate without mentioning basic pay and dearness allowance separately. At the time of the award, dated 18th May 1955, although there was claim for separate basic pay and dearness allowance the learned Adjudicator found such consolidated rates to be advantageous to the workers in the matter of Provident Fund contributions by the employer and accordingly maintained the consolidated rates in the award. The union did not allege or prove anything to depart from the said system and award separate basic pay and dearness allowance. The present system of wages at consolidated rates is, therefore, maintained.

Regarding grades the union did not furnish either in the written statement or before this tribunal any material for the purpose of grading the workmen. It did not even state the nature of duty which has to be performed by any one of the workmen as shown in the chart (Annexure "D"). Mere designations cannot afford a clue in this respect. It is, therefore, obvious that the classification shown in the chart of the Company must continue in absence of them.

Regarding introduction of time-scale of pay it has been held in the case of Britannia Building & Iron Co., Ltd. and their workmen reported in 1954, L.L.J., Vol. I, page 651 "As time-scales increase the wage bill year after year which is reflected in the cost of production, such scale should not be forced upon an employer of industrial labour, unless it is established that the employer has the present capacity to pay and its financial capacity can be counted upon in future. Thus, both financial ability and stability are requisite conditions." In the present case it appears from the balance-sheets that the Company has not the financial ability or stability to bear the burden of time-scales of pay. The balance-sheet and profit and loss account for the year 1359 B.S. ending with 13th April 1953, reveal that the Company incurred a net loss of Rs. 4,060-9-11. The balance-sheet and profit and loss account for the year 1360 B.S., likewise reveal a net loss of Rs. 44,331-8-4 during the year. The balance-sheet and profit and loss account for the year 1361 B.S., ending with 14th April 1955, show a loss of Rs. 13,448-1-2. It will thus be evident that the Company has yet to attain stability and that its present capacity is strictly limited. Exception has been taken by the union's representative to certain items of expenditure in the shape of commission, salaries to officers at the top and in the matter of purchase of materials. It is not the function of a Tribunal to go into the merits or otherwise of the expenditure of the Company under different heads. How the Company would run its business is its exclusive

function. The tribunal cannot go beyond the balance-sheets unless these are proved by evidence to be inaccurate. As the audited balance-sheets and profit and loss accounts do not reveal satisfactory financial position of the Company, it would not be opportune to introduce the time-scale of pay. In this state of affairs I agree that the Company cannot be burdened at this stage with time-scales of pay.

Regarding minimum emoluments about which the union has also made grievance, there can be no dispute that the worker must have it irrespective of the capacity of the industry or of his employer to pay. The capacity to pay is relevant only in respect of upper limit as also dearness allowance. Question of minimum emoluments can, however, arise only in respect of those workers appointed since the award, dated 18th May 1950, as the learned Adjudicator while making the award on 18th May 1950 fixed the said minimum having regard to those prevalent on the basis of the award relating to Messrs. Bengal Chemical & Pharmaceutical Works, Ltd., Messrs. B. K. Paul & Co., Ltd. and Messrs. Curex Laboratories (India), Ltd. No doubt after the award of Shri Modak in 1949 there was another award relating to Bengal Chemical & Pharmaceutical Works, Ltd. by Shri G. Palit on 3rd April 1951 as published in the *Calcutta Gazette*, on 26th April 1951 under which there was flat increment in the basic wages at the rate of Rs. 5 per month and dearness allowance was increased but then the present Company too after the award granted a flat increment of Rs. 6 in June 1951 and then another increment of Rs. 5 on 22nd February 1954 and then again an increment of Rs. 3 on 31st August 1955. So, the workmen in general can have no grievance, more so, when the Bengal Chemical & Pharmaceutical Works, Ltd., is a very big concern and its capacity to pay is many times higher than the capacity of the present concern. Be that as it may, from the chart (Annexure "D") it however appears that emoluments of 11 (eleven) workmen required to be pulled up in order to come up to minimum. The principles of fixation of minimum wages have been discussed and settled in Buckingham & Carnatic Mills Co., Ltd. vs. the workers of the Company (*vide* 1952, L. A. C. 490). It has been held that the floor level of wages of an industrial worker must be such as would enable him to maintain three consumption, units including himself in a state of efficiency with provision for education, medical expenses and amenities. This is the minimum which the worker must have irrespective of the capacity of the industry or of his employer to pay. Having regard to the minimum fixed in different industries it seems to me that the minimum wages of a cooly including dearness allowance in the present concern should not be less than Rs. 55. The three coolies Jog Narayan Jeswara, Bhunilal Kurmi and Munai Lal Jeswara who have been getting less than Rs. 55 are given increments to pull them up to the minimum of Rs. 55. Shyamapada Banerji, Store Assistant, who has been getting Rs. 58 should, in my opinion, get Rs. 64; likewise Ramesh Chandra Dutt, Anath Nath Roy and Kesto Das Sil who are getting less than Rs. 64 should get minimum of Rs. 64. The unskilled worker Jaykisson Ram, Muralidhar Missir and Bhikari Patra whose present total emoluments are below Rs. 55 should be pulled up and get minimum of Rs. 55. The minimum emoluments of a matriculate clerk should not be less than Rs. 65. Clerk Abhoypada Sinha who has been getting less than Rs. 65 is allowed an increment to pull him up to the minimum of Rs. 65. The present emoluments of others do not appear to be below the minimum in comparison with those in sister-concerns in similar status. The increments as aforesaid to pull them up to the minimum is to take effect from the date the award becomes enforceable.

The issues are decided accordingly.

Issue No. 3.—In view of the aforesaid decision the question does not arise.

Issue No. 4.—The union has not furnished any material whatsoever to award separate tiffin allowance to the workmen, the claim is accordingly rejected.

I award accordingly.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. French Motor Car Company, Ltd., Calcutta, and their employees represented by French Motor Car Co., Ltd., Calcutta Employees' Union, 234/3 Lower Circular Road, Calcutta.

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal*

For the Union: Shri S. K. Acharyya, Counsel, Shri N. K. Roy, Pleader, with Shri J. C. Biswas, Secretary of the Union.

For the Company: Shri S. C. Sen, Advocate, Shri S. N. Ghosh, Pleader, with Shri G. V. Iyer.

This industrial dispute between Messrs. French Motor Car Company, Ltd., Calcutta, and their employees represented by French Motor Car Co., Ltd., Calcutta Employees' Union, regarding the following issues, was referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, order No. 5155I.R./D/10L-72/56, dated the 1st December 1956.

The issues are—

(1) Whether there should be any rule or system of promotion after reaching the top of a grade ? If so, what?

(2) Gratuity in addition to provident fund.

(3) Retiring age and rules of retirement.

(4) Whether Shri Amarendra Nath Chakraborty should be promoted to the post of a Ledger Keeper in preference to Shri P. K. Banerji.

AWARD

Both parties filed their written statements and adduced evidence in the case.

Issue No. 1.—The Union asks for introduction of a rule for promotion of employees who had reached the top of their grades. The suggestion is that a person having reached the top of his grade should be allowed to go on the next higher grade and so on, till he reaches the maximum at the time of his retirement. Alternatively, each grade should be so spanned that each person should get the normal increment during the tenure of service and not reach the top of grade in a very short space of time. The Company states that the claim of the Union is neither reasonable nor equitable. The Union wants a revision of grade and scale of pay, which is outside the scope of this reference. Further, question of promotion to higher grade is one for the Management to decide.

Exhibit 5 is the statement, prepared by the Union, showing the employees who had reached top of their grades and not received any increment thereafter. It shows that 8 subordinates have reached their maximum of the grades. Among the clerical staff, one in grade "B" reached the maximum of his grade in 1953, one in grade "D" in 1954, four in grade "A" and one in grade "D" reached the maximum in 1955 and out of the remaining four clerks one in grade "B", two in grade "D" and one in Supervising capacity (?) reached the maximum in 1956. On Union's own showing the case of one who is now employed in a Supervising capacity must be left out of consideration. Question of promotion of the employees who have reached the maximum of grade "A" does not arise because there is no higher grade to which they can be promoted. Excepting the case of 2 employees of grade "B" and "D" others reached the maximum very recently. It is true that an employee of grade "D" is going without any increment for the last two years and another in grade "B" for about three years. As to the cases of the subordinates, it must be conceded at once that they have no grades. So the question of promotion is confined to the cases of the clerical staff who have got four grades. The suggestions put forward by the Union have been carefully examined. Question of promotion largely depends on the efficiency and merits of the employees concerned and the Management is the best judge of both. Accordingly, this was always left to the Management and the Tribunals ordinarily do not interfere in the Management's function unless there is *male fides* or manifest injustice in any case. On this ground alone, the suggestion put forward by the Union to remove the present stalemate should not be accepted. Further, the Union asks for abolition of the grades in suggesting that all employees should automatically pass on to the next higher grade till he reaches the maximum of the highest in course of time. The adoption of this will have the effect of doing away with the different grades altogether and replace them by one running grade for all employees. A long grade is ordinarily unsuitable as a grade for promotion. The alternative suggestion also cannot be accepted without revising the grades and scales of pay

which as the Company has put it, is outside the scope of this reference. Therefore, the Tribunal has no jurisdiction to do that. On a careful consideration of all these, I find that there should not be at present any system of promotion for an employee, who had reached the top of his grade.

But, at the same time, the Tribunal is not unmindful of the cases of hardship of those employees who have been detained, at the threshhold of their career unduly for an indefinite length of time. The Tribunal, therefore, recommends that the Management should once every henceforth review the cases of those employees who have reached the maximum of their grades with a view to consider their fitness for promotion to next higher grade.

Issue No. 2.—This relates to gratuity for the employees employed in the Calcutta Office. This Company has branches in Calcutta, Bombay and Shillong, with two sets of separate accounts for Calcutta and Bombay. The nature of business appears to be done as single undertaking in the Head Office and the branches, and there is a common profit and loss account. The profit or loss is on the entire concern and not for the particular unit.

The Calcutta Branch has a Provident Fund for its employees since 1942. Its rate of contribution at present is one anna per rupee. It is paid on basic wages and D. A. The Bombay Branch has a Provident Fund and the rate of its contribution being 8⅓ per cent. on basic wages. By an amicable agreement between the parties, gratuity in addition to Provident Fund, was introduced for employees in Bombay in May 1954. The Agreement is Ext. I. The Calcutta Branch has not got any scheme of gratuity for the benefit of its employees. The Union's demand is for such a scheme. The Company opposes this claim mainly on financial grounds. A comparison of the existing rates of wages and D. A. of the employees in two places will show that the employees in Calcutta are getting less in wages and D. A. than their counterparts in Bombay. The Bombay scheme of gratuity is the result of an amicable settlement between the parties. This was not imposed upon the Management under an adjudication of the issue by a Tribunal. It can, therefore, be safely presumed that the scheme of gratuity is favourable to both parties and that the financial burden, which is imposed upon the Management, is not unduly excessive. *Prima facie*, there is no reasonable ground to infer that an introduction of a similar scheme of gratuity, for the employees in Calcutta, will have any adverse effect on the Company's finances. This has been sufficiently corroborated by the Balance-sheets for the years 1948-1956, though an endeavour is made here to show that the present financial position is neither stable nor sound and that the Company's future business prospect is not bright as it was before 1953. Exhibit D is a comparative statement of Capital invested and profits made for the years 1948-1956. It shows that the position of net profits is good since 1952 and the profit registered a gradual rise. The total profit remains fairly steady, only the percentage of profit on capital invested has gradually dwindled. The percentage of profit on capital invested in 1956 was 17.5. Since 1953, Capital was increased from 7½ to 30 lakhs a year out of the reserve of accumulated profits. It is not clear from the materials, which are before the Tribunal, how the percentage of profit could be so low as that. As to future prospect, they do not appear to be either unsatisfactory or gloomy in any foreseeable future. It is very difficult to make any proper assessment of future prospects in any business. The only reason advanced on the side of the Management is on the basis of Ext. E, an extract from the *Gazette of India* (*Extraordinary*), dated

23rd January 1957. This only shows that after consideration of the matter Government has fixed the dealer's commission at 10 per cent. of the ex-factory price for passenger cars and jeeps and 7½ per cent. of the ex-factory price for trucks, etc., but without the monetary ceiling of Rs. 1,000 per vehicle. No attempt was made to show how this could react adversely on the Company's business in India. On a careful consideration of the whole situation, I am inclined to hold that the financial position of the Company is on the whole stable and sound and the future business prospect, as far as can be ascertained, is as bright as ever. That being so the Company's objection to the introduction of the scheme of gratuity in Calcutta fails.

Now, the next question is whether the existing terms of retiral benefit of the Calcutta employees are sufficient or whether they should get the same double retiring benefits as now are enjoyed by the employees in Bombay. Considering the comparatively lower scale of wages and D. A. which are paid to the employees in Calcutta, the Provident Fund, though introduced in 1942, was not adequate and then the period of service not covered by Provident Fund scheme is there. In my judgment, the existing benefits do not appear to be sufficient. Further, an employee now, under the existing law, practically gets the full advantage of such a scheme in all cases of retrenchment or compulsory termination of service. There is hardly any justification why he should be deprived of a similar benefit, where the employer is in a position to pay it, although he may have to leave his service under different conditions and circumstances, viz., on superannuation. I, therefore, answer this issue in favour of the employees and draw the scheme of gratuity on the same line as that embodied in the amicable agreement, dated the 13th May 1954,—Exhibit I. This is set out below:—

Gratuity

(1) On the death of an employee while in the service of the Company—One month's basic salary for each year of service subject to a maximum of 15 months' salary to be paid to his heirs, executors or nominees.

(2) On voluntary retirement or resignation of an employee—After 15 years' continuous service in the Company—15 months' salary.

(3) On termination of his service by the Company—

(a) After 5 years' continuous service but less than 10 years' service—½ month's salary for each year of service.

(b) After 10 years' continuous service but less than 15 years' service—¾ of a month's salary for each year of service.

(c) After 15 years' continuous service in the Company—15 months' salary.

Gratuity will not be paid to any employee who is dismissed for dishonesty or gross misconduct.

Salary for the purpose of calculating gratuity shall mean the substantive salary (exclusive of allowances) of an employee on the date the employee ceases to be in the employment of the Company. The Company at their discretion may grant gratuity in excess of the above.

This will take effect from the 1st April, 1957.

Issue No. 3.—The Union's demand is that the retiring age should be raised to 60 and there should be "no forced retirement arbitrarily" by the Company. The present rule is that there will be a compulsory retiring age for all employees at 55 years of age or after 30 years of service, whichever event occurs first. The extension can however be granted by special permission of the Management. This rule, the Company said, was promulgated since 24th December 1946. The Company states that the present rule is fair and proper and does not require any revision. The Union supports the demand on the ground that many employees entered into the service of this Company at a comparatively advanced age and, therefore, the retiring age should be raised to 60 years. It appears that according to Union, 29 per cent. of the employees entered the service at over 30 years of age and 52 per cent. of over 25 years of age. This is not accepted by the Company. According to the Company, the percentage is 19 per cent. between 30/40 years of age and 11 per cent. over 40 years. The retiring age depends largely on the efficiency and health of an employee and not on the length of service or hardship in any individual case. I have no materials to adopt the change in the existing rule on the suggestion of the Union. The Company, however, is good enough to accept the change in the existing rule abolishing the provisions for retirement on completion of 30 years of service. This rule may be changed accordingly.

Issue No. 4.—This relates to the case of promotion of Shri A. N. Chakraborty to the post of Ledger Keeper in preference to Shri P. K. Banerjee. Shri Chakraborty was appointed on 1st July 1948 and Shri Banerjee on 1st March 1949. Shri Chakraborty is a B. Com. with some experience in office work. He was appointed on a basic salary of Rs. 90 whereas Shri Banerjee was appointed on a basic salary of Rs. 107. Shri Banerjee is a Matriculate with long experience in office work. He was considered for *promotion* when Shri Ghosh retired. A dispute was then raised and amicably settled due to intervention of Dr. (Mrs.) Maitrayee Bose, President of the Union. Both Shri Chakraborty and Shri Banerjee are now in "C" grade. Shri Banerjee's pay is Rs. 114 whereas Shri Chakraborty's pay is Rs. 122. Both are doing Ledger Keeper's work in different departments. There is no post of Head Ledger Keeper in this Company. Therefore, there can be no question of Shri Chakraborty's alleged promotion in preference to Shri Banerjee. As far as matters stand at present, there has not been any case of supersession of Shri Chakraborty's claim to any promotion. Therefore, the issue does not really arise now. Further, in matters of promotion, which is purely a Management's function, the Tribunal will not ordinarily interfere, unless there is proved *mala fides* on the part of the Management, or, manifest injustice done in any individual case. I answer the issue accordingly.

I make my award as above.

AWARD

Issue No. 1

Shri Fazlur Rahman was dismissed from service on 10th February 1955 for misconduct. The Union's case is that Shri Rahman was victimised for his Union activities and was dismissed wrongfully without an enquiry on a false charge. The Company denies it and contends that the dismissal had no connection with his alleged Union activities. Shri Rahman is a member of the Union and sometime a member of the Works Committee. There were more than 500 members of the Union when the admitted incident took place. There was a scuffle between Shri Rahman and a young employee, Shri Khurshid Alam, over a purely extraneous matter, viz., election of Shri Jagat Bose to the Assembly. This took place inside the Factory premises with the result that there was a stoppage of work by the workers who later surrounded the Manager shortly before the same afternoon. Shri Rahman and Shri Alam were suspended by the Manager. They were charge-sheeted and finally dismissed from service by the Manager. It is said on the Union's side that the Management set Shri Alam against Shri Rahman and punished Shri Rahman without any enquiry. Shri Rahman deposed alone on this point. He admitted having received a notice from the Management asking him to attend the enquiry, which eventually did not take place. Shri Bashir, the Manager and the Director and Shri Hamid, Supervisor, proved the incident and the enquiry. Shri Alam is no longer in the service of this Company. His evidence is not available. On the consideration of the evidence, I am inclined to hold that Shri Rahman was guilty of misconduct for which he was rightly dismissed. Question of his reinstatement or payment of any compensation does not arise.

Issue No. 2

Twenty-two employees were suspended, pending enquiry into the charges made against them, between 9th February 1955 and 20th April 1955. The workmen employed in this Company resorted to strike on 28th February 1955. The strike was called off, as a result of a settlement before the Conciliation Officer, on 5th May 1955. One of the conditions of the Agreement was to hold an enquiry into the cases of these 22 men and to take a final decision with regard to them by the 19th May next. The Company's case before this Tribunal is that this enquiry could not be completed due to the employees who did not attend the enquiry in spite of repeated notices. It is now admitted that 4 employees—No. 3, Bhola Singh, No. 9, Md. Habib, No. 10, Md. Shakur and No. 11, Md. Ishaque were taken in service after due enquiry. They are working in this Company at present. No. 8, Md. Shakir Ali, has left this Company's employment and gone away. The remaining 17 employees are still under suspension. The Company's

further case is that no disciplinary action has yet been taken and that the reference of this issue on the 19th May is, therefore, bad in law.

Question now is whether this reference, so far as this issue is concerned, is invalid and whether the Company has actually taken any disciplinary action in this case. I do not think that the reference can be questioned in the way in which it is done before this Tribunal. Ordinarily, the Tribunal is not justified in going behind the reference. Admittedly, the dispute over this was not resolved before this reference. The Company informed this fact to the Labour Commissioner. The Union also said that it would not take any interest in the enquiry as the matter was going to be referred to the Tribunal. In this situation, it is idle to contend that the reference is bad in law. Further, the Management took action by suspending the 22 employees as a security measure in the interest of maintaining order and discipline in the establishment. It is true that this order of suspension was not made by way of punishment after due enquiry. It is enough that this action was taken to restore order in the establishment when it was threatened by violent acts, said to have been committed by these employees. That is sufficient to convert it into a disciplinary action, which kept the employees concerned out of employment.

Question now is whether this disciplinary action is justified. The Union's case is that it was not justified in the beginning and it is not so even today. The employees are out of employment, for no fault of their own, and as such all of them should be reinstated with full wages and allowances for the entire period of unemployment. The Company contends that in the circumstances of the case, the Management was fully justified in taking this action before enquiry. The Standing Orders, by necessary implication, permit it to suspend an employee pending enquiry into the charges of misconduct. Suspension, even for an indefinite period, pending an enquiry, is no punishment. It has been repeatedly held to be so by the Hon'ble Supreme Court. It now remains to be seen whether there is sufficient evidence on record to support this action of the Management.

We are at present concerned with the 17 employees only. Seven of them surrounded the Manager leaving the place of work without permission following the incident between Shri Rahman and Shri Alam on 9th February 1955. Charge-sheet, dated 18th February 1955, was for the interference with the work and disorderly behaviour on 17th February 1955. Seven workmen were charge-sheeted on 3rd March 1955 for the incident, dated 28th February 1955, viz., surrounding and attacking the Manager with lathis and using filthy language against him. Three workmen were charge-sheeted on 3rd March 1955 for attacking Mr. Salleem, one of the Directors, when he was going to Workshop on 1st March 1955. Three workmen were charge-sheeted on 16th May 1955 for assaulting Shri Alam for the incident on 20th April 1955. Nine workmen were charge-sheeted on 16th May 1955 for assaulting Shri Tahajood Hussain on 20th April 1955. Every one, except these employees, was taken in under the settlement mentioned above, and after the strike was called off. The Management did not take any decision against these employees as they could not complete the enquiry. The resolution, dated 3rd May 1955 of the Union—Ext. 1W, makes it clear that it was under no obligation to attend the enquiry. The Company's evidence is that due to this attitude of non-co-operation by the Union, the employees concerned did not attend the enquiry. Shri Bashir speaks of it and I find nothing to disbelieve him on this point. That being the position, the Management cannot be blamed for not completing the enquiry before the agreed date. No enquiry was made *ex parte*, since after that date, as the issue was pending before this Tribunal. Shri Bashir has deposed in support of the allegations made in the charges against these

employees. Their documents also proved this. The trouble started over the distribution of *Upper* in the Luster Department. In fact, this led to the strike. Shri Bashir's evidence *prima facie* supports the action taken by the Management in suspending these employees. I would accordingly answer the first part of the issue against the employees. The disciplinary action which was taken by the Management is justified.

The Company's definite case is that these employees are still continuing in their employment though they are now under order of suspension. Question of reinstatement, accordingly, does not arise in this context. The employees are not entitled to any compensation for this order of suspension made against them. The payment of compensation, during this long period of suspension, due to circumstances beyond the control of the Management, cannot also be considered *at this stage* in the absence of any further action taken in this matter. It would be highly improper to assume any such action either in favour of, or against the employees, and to act on that basis. The Tribunal should not decide any hypothetical case, far less substitute its own judgment in place of one that might hereafter be taken by the Management. It would be extremely undesirable to take any decision in the dispute, in anticipation on matters, which are not directly in the issue, or even incidental thereto. The jurisdiction of the Tribunal is limited only to the adjudication of the matters in issue and such allied matters which necessarily depend on it. Therefore, no endeavour is made here to travel beyond the issue although the present decision does not fully and finally dispose of the dispute. I would rather leave the final decision with the parties instead of imposing one merely on conjecture.

The Management will, within a month of the date of the publication of this award, positively hold an enquiry into the charges against these 17 employees—other than the cases of those mentioned above—after due notice and decide their cases fully and finally without any more delay. The enquiry will be held, if necessary, in the absence of the employees.

Issue No. 3

This relates to dearness allowance. The Company does not pay any at present. Its case is that the present rate of wages includes dearness allowance. The Union's case, on the contrary, is that no dearness allowance is paid at all. The Company also pleads its inability to pay on financial grounds. The cost of Living Index so far as working classes are concerned, recorded a gradual rise since 1954. It is now 394.7 (October 1956). The demand for payment for a suitable dearness allowance cannot, therefore, be rejected outright as unjustified. It is more so, when it is noticed that the rate of wages payable to the employees is not adequate. According to the Company's representative at least 56 men are getting less than Rs. 2 per day. This, by all accounts, is not fair or reasonable. The average wage of an unskilled worker is less than Rs. 52, *i.e.*, less than what is paid to other employees in other industries in and around Calcutta. After all, the basic needs of a worker are same everywhere and in all industries. The present wages, in many instances, are not even sufficient for the barest necessaries of life. It is high time that the earnings should be supplemented, where possible, to permit the workers to make both ends meet. Question now is whether the financial position of the Company is such as would enable it to meet the demands of the employees.

The employees' demand is a flat rate of dearness allowance at Re. 1 per day (*i.e.*, Rs. 26 for a month) for all grades of employees. The Company produced its balance-sheets for 4 years from 1951 to 1954 in a sealed cover,

asking that the information contained therein should be treated as confidential. Shri Bashir deposes on this point. According to him, no balance-sheet has yet been prepared for the year 1955, although the accounts have been audited. Shri Bashir, however, says that the Company did not get any profit in 1955. The balance-sheets for 1951, 1952 and 1953 show considerable gross profits, with a fair margin of net profits. In 1954, there was comparatively higher gross profits though there was no net profits. The Union unsuccessfully challenged the accuracy of the balance-sheets. Having had no access to Company's accounts, the employees and their Union are always at a disadvantage in this matter. The Tribunal, however, cannot reject the balance-sheets simply because they are challenged. The overall financial position of the accumulated profits, however, does not support the Company's contention. I do not advisedly refer to the exact figures of the balance-sheet for their information has been treated as confidential. The Union's demand, if allowed in full, is likely to cost the Management a sum of Rs. 1,87,200 a year. The Company will have to incur some more expenses on other items of demand. It is, therefore, clear that the demand of dearness allowance in full cannot be allowed. The Management conceded at the time of argument that 56 employees who are getting less than Rs. 2 a day should at least get Rs. 52 a month. I accordingly direct that the minimum earnings of unskilled workers should not be less than Rs. 52 a month. At present, it is difficult to say how much of the earnings represent the basic wages and how much of them the dearness allowance. The total earnings are only available. They have not been split up, nor can they be split up, without raising complications. In this situation, no separate dearness allowance can be allowed as such. But a flat rate of increase, sufficient to meet the increased cost of living, can be allowed to all employees. Accordingly, I allow a flat increase at the rate of Rs. 4 per month over the total monthly earnings to all the employees, including 56 of them whose earnings already increased to Rs. 52 per month, and that with effect from January 1957.

Issue No. 4

The Union's demand, under this issue, is for (i) a minimum guaranteed wage of Rs. 3-8 per day, and (ii) for an overall increase of wages by 25 per cent. of the existing rates. The Management denies that *in toto*, mainly on financial grounds. The Company has got a seasonal Factory, in which cheap rubber shoes are manufactured for use of the poor. The present position is that there is not even sufficient work for 5 hours a day. There has been a fall in production and sales. There has been less profits in 1955. There was stoppage of work for over two months in that year due to strike. Majority of the workers, out of a total 600, are piece rated. It is, therefore, undesirable to introduce a guaranteed minimum in wages, at present, particularly when the rates of wages are not grossly inadequate. The presence of a guaranteed minimum, in the present circumstances, is likely to encourage indolence in work. It will take away much of the incentive and zeal in work. It is likely to encourage "go-slow" with sure fall in production. No other concerns, in any Rubber Factories in the locality, pay a guaranteed minimum to its workers. For all these reasons, I do not consider the introduction of a guaranteed minimum wage, as asked for, in the present circumstances, to be at all desirable and expedient.

The 25 per cent. increase in rates of wages is likely to cost the Company an additional expenditure of about Rs. 80,000 in wages alone a year. This the Company is not in a position to pay out of its existing funds. Its finances are not sufficient to shoulder any such grave liability. Further, there is no material, before this Tribunal, to show that any comparable

concern paid any such increment in wages to their employees. That being so, I would disallow the demand altogether.

Issue No. 5

This relates to the minimum wages for Sardars in the Factory. The present rate is Rs. 3 to Rs. 3-4 per day. The demand is for its increment to Rs. 4 or Rs. 5 a day. There is hardly any justification for such increase. And any such increase is likely to create unreasonable wage differentials and other problems, where there is none at present. This is, accordingly, refused.

Issue No. 6

This issue is not pressed in view of the introduction of Provident Fund Scheme under the Provident Funds Act.

Issue No. 7

At present, the employees do not enjoy any holiday on Festival days. They asked for 18 days holidays including Festival holidays on 26th January, 1st May and on 15th August every year. The employees are now allowed leave from duty on some Festival days without pay. They are, therefore, dissatisfied with the existing arrangement. A paid holiday is likely to cost the Management at least Rs. 1,200. Accordingly, there should not be more than two paid holidays at present for all, i.e., the 26th January and the 15th August in every year. This will, however, not adversely affect the existing arrangements regarding leave and holidays.

Issue No. 8

This issue relates to Bonus. The Union's demand is that Bonus, as a condition of service, at the rate of one month's basic wage should be paid to every worker. This is to be paid to Hindu employees before the Durga Puja, and to Muslim employees before the Id. The Company denies the existence of any such bonus in the establishment. This issue has been framed in a general way. It does not specify any particular year or years in which a bonus is claimed. No bonus is paid as a condition of service. This Tribunal cannot, therefore, create any such condition in this case.

The employees are however entitled to a profit bonus, whenever there is any profit out of which it can be lawfully paid. The position of law is clear. It need not be declared in this award. It is enough to place on record that the employees will be paid a profit bonus whenever there will be a surplus profit available for the purpose. I answer this issue accordingly.

This is my award.

ANNEXURE

In the matter of an application under section 33A of the Industrial Disputes Act, filed by Shri Chandi Charan Munshi and Shri Mahabir Ram, two employees, in connection with an industrial dispute between Messrs. Bathgate & Co., Ltd., and their workmen referred under G. O. No. 2673Dis., dated 25th May 1954. (Case No. 29 of 1956.)

BEFORE THE FOURTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI M. N. GAN, *Judge, Fourth Industrial Tribunal.*

For the workmen: Shri N. M. Das Gupta, Advocate.

For the Company: Shri P. R. Mukherjee.

AWARD

This is a complaint under section 33A of the Industrial Disputes Act, filed by Shri Chandi Charan Munshi and Shri Mahabir Ram, two employees of Messrs. Bathgate & Co., Ltd. (hereinafter called the Company), against their employers for discharging them most arbitrarily and without the permission of the Tribunal from service and thus violated the provisions of section 33 of the Industrial Disputes Act. Shri Munshi served this Company for 48 years and Shri Ram for 46 years. There was no retiring age for employees in service of this Company. They prayed for reinstatement, in the alternative for gratuity and other reliefs under section 25(F) of the Industrial Disputes Act.

The Company contests this case and contends that it is not maintainable as there has not been any contravention of section 33 of the Industrial Disputes Act. The employees were retired from service due to inefficiency. Shri Munshi received payment in full and final settlement of his claim

and therefore could not raise any further industrial dispute. Shri Ram did not receive payment though asked to do so. Both are not entitled to reinstatement or any other reliefs.

Points for decision

(1) Whether this case is maintainable?

(2) Whether the act complained of is justified?

(3) What reliefs, if any, are the complainants entitled to?

Findings

Admittedly, there is no rule for retirement in this Company. There is no standing order to that effect. Both the employees were duly served with notices of termination of service (Exts. 5 and 5A) with effect from 3rd and 18th August 1954, respectively. Shri Munshi on representation was allowed an extension up to the 31st October 1954. Shri Munshi received payment on 16th November 1954 by signing a receipt (Ext. A) for Rs. 832-8. In this he said that he received payment in full and final settlement of his dues. Shri Ram did not receive any payment though he was asked to do so.

Shri P. R. Mukherjee contends that this being a case of retirement from service, section 33 of the Industrial Disputes Act is not attracted to the facts of this case. There has not been any alteration in the conditions of the service nor discharge or dismissal from service. Shri N. M. Das Gupta, on behalf of the complainants, contends that this is a case of discharge from service and not a case of retirement, for there is no contract, or rules of service, under which an employee can be retired on attaining the age of superannuation. He relies upon the definition of retrenchment given in section 2(oo) of the Industrial Disputes Act and suggests that the termination of service of the complainants actually amounts to retrenchment under the Act. Their being no retiring age in this Company, the termination of service of these two employees amounts to retrenchment which is nothing but discharge from service. Admittedly, a dispute was pending at the time of discharge which was effected without express permission of the Tribunal. Section 33, therefore, applies to this case which is maintainable.

Issue Nos. 1 to 3.—Question now is whether Shri Munshi is stopped, by reason of his acceptance of dues under Ext. A, to make this complaint and raise this claim for further reliefs under the Act. Shri P. R. Mukherjee contends that he is not entitled to do so by his conduct. Shri N. M. Das Gupta, on the other hand, contends that the acceptance was not voluntary, and with full knowledge of consequences upon the dispute and relies upon the case reported in 1952, Labour Appeal Cases, page 291. Shri Munshi has said in his deposition that he was dying of starvation at the time and was compelled by circumstances to accept this payment from the Management. Regard being had to the unequal position of the employee, I hold that Shri Munshi is not stopped from raising this dispute in this case. Shri Munshi and Shri Ram have put in 48 years and 46 years of service to the Company, respectively. The evidence of Shri Munshi on this point remains unchallenged. Further, Shri Bhowmic, the Proprietor of this Company, admits in his letter (Ext. 4) that Shri Munshi had such long connection with the Company. It is now conceded that the present Company is the successor of the old Company before it was converted into a

limited Company. That being so, the inescapable conclusion is that the two complainants are entitled to retrenchment reliefs for the period mentioned in their petition from this Company, less already received.

Shri Das Gupta makes it abundantly clear that the complainants are not praying for reinstatement. In fact, the justification of retrenchment is no longer in dispute. The amount of relief now remains to be settled. Under agreement (Ext. 1), dated 29th September 1951, which is admittedly binding upon the parties, gratuity at the rate of one month's pay for each year of service is payable to employees at the time of retirement, retrenchment or resignation if accepted by the Management. Shri Das Gupta claims this gratuity and retrenchment compensation under section 25(F) of the Industrial Disputes Act for both. Shri P. R. Mukherji stoutly denies this claim. His contention is that the complainants are not entitled to more than one relief in this case and that is which has been provided for in section 25(F) of the Act. Shri Das Gupta relies on two decisions of Labour Appellate Tribunal (i) Ext. 2A and the other (ii) the decision given in the All-India Industrial Tribunal (Bank dispute), page 117. The decision in Ext. 2A is one on an Appeal from an Award in a dispute between some employees and this Company. Admittedly, these two complainants were not parties in that dispute. Therefore, the decision in Ext. 2A is not binding in this case. Further, it appears that their Lordships solely relied upon the decision in the Bank dispute case and disposed of the case. The effect of the agreement (Ext. 1) on the case was, it seems, not considered fully and properly. And the case in Bank dispute stands on an entirely different footing. Their Lordships had not to consider the legal effect of a binding contract existing between the parties on the whole case. The twin questions of gratuity and retrenchment reliefs were considered in a different context. The attention of their Lordships was focussed, more on the question of the jurisdiction of the Tribunal to award such relief than to the propriety of allowing an inadequate relief in the case. The complainants or this Company were no parties to that case. For this reason, I am unable to apply the two cases in the present award. I am, however, inclined to think that gratuity, which is payable under agreement Ext. 1 on retrenchment of an employee from the service constitutes the amount of compensation payable to him at the time of discharge. It would be unrealistic to argue that gratuity payable on retrenchment, as in this case, is something different in character from compensation payable under the Industrial Disputes Act. Also it would not be totally correct to say that compensation under section 25(F) is payable for loss of employment and that gratuity is more or less a bounty payable in recognition of employees good offices. In my view, gratuity and compensation payable on retrenchment are paid in recognition of the past services of the discharged employees. The scale of compensation would have been different, if the intention of the Legislature had been otherwise than that stated above. Both gratuity and compensation, being payable in case of retrenchment in recognition of past services, it is only equitable and proper that only one relief, which is more advantageous to the employee is paid ot him. But for the subsisting agreement of Ext. 1, dated 29th September 1951, which was prior to the introduction of the amending section 25(F), compensation on retrenchment would have been paid at the rate provided in that section. Agreement which provides a higher rate of relief will therefore prevail over the statutory rate. It has been specifically so made under the Act I am, accordingly, unable to accept Shri Das Gupta's contention in this case. Both the complainants are entitled to a gratuity at the rate of one month's pay for each year of service, which is 48 and 46 years, respectively, by way of retrenchment relief less the amount already

received by Shri Munshi by receipt Ext. A. The application is allowed. The Company shall pay this gratuity to the two complainants within 15 days from the date of the publication of this award.

AWARD

These two applications under section 33A of the Industrial Disputes Act, 1947, registered as case Nos. 149 and 150 of 1956 were heard together for

the sake of convenience. The application in connection with case No. 149 of 1956 was filed by Shri Birendra Kumar Chatterjee and 31 others, who were the clerical employees of Messrs. Reliance Jute Mills Company, Ltd., while the application in connection with the case No. 150 of 1956 was filed by Shri Kshitish Chandra Sarkar and 14 others, who were mechanical workers of the said Mills. Both the applications have arisen out of an industrial dispute between the parties, which was originally referred for adjudication to the Seventh Industrial Tribunal by Government order No. 3452Dis./D/7L-6/55, dated 7th August 1956, and subsequently to this Tribunal by Government order No. 4168Dis./D/7L-5/55, dated 17th September 1956. It may be stated that both the applications were filed on 27th September 1956 during the pendency of the above industrial dispute before this Tribunal, that is the Second Industrial Tribunal.

The petitioners' case is that during the pendency of the original reference before the Tribunal, the Company—Opposite Party—contravened section 33 of the Industrial Disputes Act, 1947, by retrenching them without permission of the Tribunal. Accordingly, the petitioners prayed for reinstatement with back wages for the period of forced unemployment.

Both the applications were contested by the Company—Opposite Party. It denied that there was any violation of section 33 of the Act, and contended that the applications under section 33A were not maintainable.

The Tribunal heard the parties at length on the point of maintainability of the applications under section 33A. A petition on behalf of the workers was also filed to the effect that they did not like to press the aforesaid applications under section 33A. As both parties have addressed the Tribunal regarding the legal objections taken by the Opposite Party as to the maintainability of the applications under section 33A, I think it worth while to give my decision on the point. Regarding maintainability of the applications, the first legal objection that has been raised on behalf of the Company is that these petitioners were discharged on 8th August 1956 before the commencement of the proceedings before any Tribunal, and that in this view of the matter there was no contravention of section 33 of the Industrial Disputes Act, 1947. It was urged on behalf of the Company that the order of reference regarding the dispute, which was made to the Seventh Industrial Tribunal, though it is dated 7th August 1956, was actually signed on 10th August 1956 by the Joint Secretary to the Government of West Bengal, Labour Department, and that in the circumstances, the proceedings before that Tribunal should be deemed to have commenced on 10th August 1956, and not before that. The second legal objection was that such applications under section 33A should have been made before the Seventh Industrial Tribunal, because the alleged contravention took place at a time, when the proceedings were pending before that Tribunal. Hence, it has been contended that this Tribunal, to whom the reference was subsequently made, could neither take cognizance of the applications under section 33A, nor could deal with them. In other words, the contention of the Company was that such applications under section 33A could not be entertained by this Tribunal. As regards the first legal objection, I am of the view that it is not tenable. It is a fact no doubt that the Joint Secretary to the Government of West Bengal, Labour Department, signed on 10th August 1956 the order of reference, dated 7th August 1956. But it must be remembered that the order of reference is made under section 10 of the Industrial Disputes Act by the appropriate Government. In section 10, it is provided that where the appropriate Government is of opinion that any industrial dispute exists or is apprehended, it may at any time by order in writing, refer the dispute or any matter appearing to be connected with or relevant to the dispute, to a Tribunal for adjudication. The words "by

order in writing" are very significant and important. Such order in writing is made by the Hon'ble Minister on behalf of the appropriate Government. The Joint Secretary to the Government of the department has no concern or connection with the reference. The said order emanates directly from the Hon'ble Minister, who acts in this respect on behalf of the Governor of the State. The Joint Secretary only signs the typed copies of the order of reference that is made by the appropriate Government. We must attach plain meanings to the words of sections 10 and 20 of the Industrial Disputes Act, 1947. There is no indication therein to suggest that a reference is not complete until the copies thereof are signed by the Joint Secretary. The Joint Secretary for obvious reasons or on account of his preoccupation might not get time to sign the typed copies of the order of reference on the date the reference is made. He might sign the same one or two days later. This fact does not necessarily mean that the order of reference was made by the Government on the date the typed copies were signed by the Joint Secretary. In my view, a reference becomes a completed reference, as soon as it is made by order in writing by the Hon'ble Minister on behalf of the Governor. That the original reference was made on 7th August 1956 to the Seventh Industrial Tribunal, will also be evident from the order No. 4168Dis./D/7L-5/55, dated 17th September 1956, by which the dispute in question was subsequently referred to this Tribunal. This order is also signed by the same Joint Secretary to the Government of West Bengal. So, in my opinion, the proceedings before the Seventh Industrial Tribunal should be deemed to have commenced on 7th August 1956 as provided in sub-section (3) of section 20 of the Act. I am unable to find any support for the proposition that the reference was not complete, until the typed copies of the order of reference were signed by the Joint Secretary on 10th August 1956. In this view of the matter, if there was discharge of these petitioners by the Company on 8th August 1956, it must be held that section 33 of the Act was contravened, because the petitioners were admittedly discharged without express permission of the Tribunal, before which the reference was pending. Therefore, the first legal objection fails.

Now let me take up the second legal objection. This objection has substance, and it is indeed fatal to the maintainability of the applications under section 33A. Section 33A lays down that where an employer contravenes the provisions of section 32 during the pendency of proceedings before a Tribunal, any employee aggrieved for such contravention, may make a complaint in writing in the prescribed manner to such Tribunal. This means that an application has to be made to the Tribunal, before which the reference is pending. This reference was not pending before this Tribunal, when there was contravention of section 33 of the Act. Admittedly, this reference was pending at that time before the Seventh Industrial Tribunal. But the stubborn fact remains that no application under section 33A was made to that Tribunal. The present applications were filed for the first time only before this Tribunal. The words in section 33A "may make a complaint in writing in the prescribed manner to such Tribunal" are very significant. The use of the word "such" excludes, in my view, any other Tribunal from taking cognizance of applications under section 33A. I am mindful of the fact that the main reference, which has been withdrawn from the Seventh Industrial Tribunal, is now pending before this Tribunal. I am also fully alive to the fact that the dispute between the parties still subsists, but that does not improve the petitioners' case in the least, so far as the point of maintainability of the applications under section 33A is concerned. The present Tribunal is quite independent of the Seventh Tribunal. I, therefore, come to the conclusion that this Tribunal has got no jurisdiction to deal with the complaints filed under section 33A or the Act.

The result is that both the applications filed under section 33A cannot be entertained by this Tribunal, nor is it open to this Tribunal to deal with them.

I pass my award accordingly in respect of both the applications.

The above order shall govern both the cases, that is case Nos. 149 and 150 of 1956 under section 33A.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. India General Navigation & Railway Co., Ltd., 44 Garden Reach Road, Kidderpore, Calcutta (Managing Agents: Messrs. Kilburn & Co., Ltd., Fairlie House, Calcutta), and one of their employees at Rajabagan Dockyard, namely, Shri Brojalal Chakrabortty, represented by Dock Engineering Mazdoor Sabha B-109 Garden Reach Road, Calcutta. (Case No. VIII—212 of 1956.)

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL

PRESENT:

SHRI SAILESH SENGUPTA, *Judge, Sixth Industrial Tribunal.*

On the India General Navigation & Railway Co., Ltd., giving notice to one of its employees Shri Brojolal Chakrabortty, that he was to retire on 1st July 1955, the employee challenged the order on the ground that he had not reached the age of superannuation and was entitled to continue in service for several years more. The dispute thus raised could not be settled

by conciliation proceedings. This reference was accordingly made by Government order No. 3230Dis./D/4L-11(b)/56, dated Calcutta, the 25th July 1956.

The issue submitted for adjudication is as follows:—

(1) Has the Company forcibly retired Shri Brojolal Chakrabortty, before his retirement? What relief is he entitled to?

Shri Brojolal Chakrabortty's case is that he was 51 years of age and had completed only 29 years of service. The Company had entered into an agreement with the I.G.N.R. Employees' Union under the terms of which its workmen were to retire on attaining 60 years of age or having rendered service for 37 years. He was nevertheless served with notice that he had completed his 60th year on 1st July 1950 and as such he was to retire on that date.

The Company raised a preliminary objection that Shri Brojolal Chakrabortty was not a workman within the meaning of the Industrial Disputes Act and hence he was not entitled to move this Tribunal to have any relief in this proceeding. On the merits the Company's case is that he had reached the age of superannuation and was properly served with notice of retirement.

Appearances:

For the Company: Shri P. C. Borooah, Advocate, instructed by Shri D. P. Ghosh, Solicitor, Fowler & Co., Solicitors.

For the Union: Shri D. L. Sengupta, Advocate, assisted by Shri Bhajan Das Gupta, General Secretary.

An additional issue is framed to cover the preliminary point raised by the Company in the following terms:—

Issue No. 2. Is Brojolal Chakrabortty a workman within the meaning of the Industrial Disputes Act?

Issue No. 2.—Shri Brojolal Chakrabortty was Overseer Saw-Doctor. The designation of the post is not at all material. To determine whether the employee is a workman or not, the point for consideration is whether he had to do manual work. Mr. Agnew, the Head Ship Wright (O.P.W. 3), gave evidence that Shri Brojolal Chakrabortty was a skilled manual worker. His evidence does not show that Chakrabortty had any supervisory duty so as to distinguish him from the general run of manual workers engaged in the Saw Mill Department. He might be a superior type of worker but he had no authority over the others. He could not grant leave to the workers in the department or award punishment. Brojolal Chakrabortty gave evidence that he had to work with his own hands. The work consists in keeping the saws in working order,—repairing them and making them fit for use. The nature of the work was not such that an overseer who had no occasion to use his own hands in the practical working of the saws was required exclusively for supervision. On the evidence placed before the Tribunal, the finding cannot be reached that this employee was not a manual worker. The Company has failed to prove that Shri Brojolal Chakrabortty was not a workman.

Issue No. 1.—Under the Standing Orders of the Company, in the absence of an agreement, the workmen were to retire on reaching the age of 55 years, subject to extension at the Company's discretion. The correspondence Exts. A, A(1) and A(2), shows that an agreement was reached between the Company and the I.G.N.R. Employees' Union regarding the age of retirement. The Company agreed to retire its workmen on reaching 60 years of

age or on completion of 37 years of service, whichever came first. In paragraph 8 of the written statement submitted by him, Shri Brojolal Chakrabortty described the Union as a "hand-maid of the Company" and concluded by saying that the agreement was not binding upon him. At the time of argument, however, the learned Advocate wanted the Tribunal to give the employee the benefit of the agreement. In the letters Exts. 1(a) and 1(c) written by Shri Brojolal Chakrabortty to the Company a longer period of service was claimed on the footing of the aforesaid agreement. The Company also served the notice of retirement Ext. 1 on the assumption that this employee was 60 years of age. The point for decision is whether Shri Brojolal Chakrabortty was 60 years of age or not on 1st July 1955.

The documentary evidence produced on either side is in a state of confusion. Exhibit B is the Service Sheet showing that Brojolal Chakrabortty was appointed in 1926 and his age at the time was 39 years. Admittedly, the age was not correctly recorded. If he was aged 39 in 1926, he would be aged 67 in 1954. That is not the case of either party. The Company set up a Committee to ascertain the age of a number of employees one of them being Shri Brojolal Chakrabortty. The Company decided that Shri Brojolal Chakrabortty was 59 years six months old on 28th December 1954. A note was accordingly made in the Service Sheet Ext. B that on 28th December 1954 he had attained the age of 59 years six months. We cannot therefore place any reliance upon the age as noted in the Service Sheet. The employee produced his Identity Card Ext. 2 and a gate pass Ext. 2(a). In the gate pass the age is recorded as 59 years which is palpably absurd. He was not admittedly aged 59 years in 1947, that being the time when the gate pass was issued according to Mr. Agnew. We can therefore ignore the statement of age in the gate pass. On behalf of the employee the nomination paper in regard to his Providend Fund money was also put in and marked Ext. 3. Therein his age is noted as 44 years on 21st September 1950. In the identity card, Ext. 2, issued on 2nd September 1949, age recorded is 45 years. If he was 45 years in 1949, he could not be aged 44 in 1950. So it appears that age was recorded haphazardly without reference to any authentic source. To my mind the particulars in Ext. 3 as well as in Ext. 2 must have been recorded on statements made by Shri Brojolal Chakrabortty. Obviously he was not consistent in stating his age. I am not therefore prepared to base my finding on the statement of age in any of these documents. The Company relied on the medical examination made to determine his age. Exhibit C is the Doctor's report. The doctor gave evidence that he had found Brojolal Chakrabortty to be approximately 60 years of age. He had however to admit that he might be aged anywhere between 56 and 60. This evidence therefore does not help us to determine the age accurately.

The Committee formed by the Company had as its members the Vice-President of the I. G. N. R. Employees' Union Shri Dulal Chandra Dey. He was examined as a witness for the Company but he gave the Tribunal the impression that he was not prepared to give a strictly truthful account of things. It is not clear what interests he had to serve but there is no doubt that he was trying to make difficulties for the Company. The ring of truth was missing from his testimony. Regarding the report Ext. E which is signed by him, his evidence is that some other member of the Union had attended the meeting and he merely made the endorsement about the age as dictated by the Company. I think he has not divulged the truth but has given a garbled account for reasons best known to him. Shri Brojolal Chakrabortty denied having attended any meeting of the Committee and made any statement, but I have not a shred of doubt that he has suppressed the truth. The particulars recorded in Ext. E relating to the age of his wife, and children must have been supplied by him. He

had in fact appeared before the Committee and made statements on the basis of which these notes were made. At that time he had stated that his age might be 53 or 54. In the absence of any other dependable evidence the Tribunal has no other alternative but to accept this statement of Shri Brojolal Chakrabortty and hold that he had not completed the age of 60 on 1st July 1955. If he was 54 years on 29th December 1954, on 1st July 1955 he would be 54 years 7 months old. Retirement would be due on completion of the 60th year. He could not be made to retire on 1st July 1955. My finding therefore is that the Company retired him wrongly before due date of retirement. Shri Brojolal Chakrabortty is entitled to continue in service, as if there has been no break and is entitled to full wages for the entire period from 1st July 1955 which must be paid within 15 days of publication of the award in the *Calcutta Gazette*.

To what relief are they entitled?

(2) Leave.

4. The Calcutta Lorry Transport Workers' Union (hereafter called the Union) filed written statement on behalf of the workmen before this Tribunal. Its case in short is that the 9 workmen concerned were dismissed from service without giving any charge-sheet on account of their Union activities. The employer, Shri Dukharan Singh, on the other hand, denied having dismissed them or having victimised them on account of their alleged Union activities.

Decision

Issue No. 1.—Shri Dukharan Singh carries on business in his own name as a transport contractor at No. 1-A, Madhab Das Lane, Calcutta. In the same premises his nephew Shri Harihar Singh resides. According to the Union Shri Dukharan Singh runs 23 lorries and 4 private cars. The employer, Shri Dukharan Singh, on the other hand, alleges that he owns 16 lorries and 3 private cars, and that he uses only the lorries for the purpose of his business and not the private cars. Besides, Shri Dukharan Singh occasionally hires and employs lorries of other men for the purpose of his transport business.

The employer Shri Dukharan Singh alleged that the drivers and coolies employed by him were mostly up-country men. They generally worked for some time and then used to go away to their native country. When they so went, they used to adjust their accounts and take away their dues whatever might be then due to them. They never gave assurance as to when they would return. The employer had so to engage fresh drivers and coolies in their places. When any old driver or cooly used to come back according to his convenience, he used to be appointed if there was any vacancy or if any of the drivers then desired to go home. Even when the workers fell ill, they did not stay in Calcutta but used to go away to their native village after taking their dues. Thus all appointments of drivers and coolies were

made on temporary and casual basis and none on permanent basis and there was no system of leave in this concern.

The Union alleged that the workmen employed in the business of Shri Dukharan Singh were smarting under various grievances regarding wages, leave, and other matters, and accordingly they started agitation. Finding that their interest could not be advanced without formation of Union the workmen formed the Union named Calcutta Lorry Transport Workers' Union at Congress Bhawan, 59B Chowringhee Road, Calcutta, in January 1955. They could not, however, get registration of the said Union till some time in May or June 1955. The formation of the Union was not accepted by the employer in good grace and various tactics by way of favour and frown were adopted by the Management to disrupt the Union, but without effect. The workers first took up their grievances with the Management and laterly through the Union, of which they were members, for an amicable settlement. After great persuasion the Management agreed in a tripartite meeting at Congress Bhawan to make better service conditions for the workmen, but ultimately the Management failed to implement them. On 16th April 1955 a charter of demands was submitted by the Union to the Labour Directorate, Government of West Bengal, for necessary action and conciliation. After a long interval a letter was received from the Management through the Labour Directorate requesting to inform him, who of the workmen were members of the Union. The Company having failed to disrupt the Union employed a number of goondas to force the workers to leave the Union. On several occasions the workers were assaulted, insulted and harassed by the goondas, for which Police diaries were made at the Burtola police-station. When the workers refused to resign from the Union, the Management became furious and discharged 16 workmen (drivers and coolies) including the three under reference, dated 29th September 1955, without any charge-sheet. The Management also engaged new hands from outside with a view to break the Union. Besides the charter of demands, the Union also demanded reinstatement and wages for the period of forced unemployment of all the 16 workers who had wrongfully been dismissed. All this enraged the Management. In the process of victimisation the 9 workmen under reference were also dismissed for their Union activities without any charge-sheet.

The employer, on the other hand, denied having dismissed any of the 9 workmen for his alleged Union activities. The employer pleaded as follows:

(1) *Ram Bodh Ahir:* No such employee ever worked in this concern.

(2) *Kishori Goala:* He was a driver on a salary of Rs. 110 consolidated, who joined this Company on 17th May 1954 and after working up to 31st December 1954 had left the opposite party's services. He again came and joined on 12th January 1955 and worked up till 30th April 1955 and voluntarily left this concern. All his arrear dues have been paid.

(3) *Biswanath Tewari, coolie:* He joined the opposite party on 11th March 1955 on a salary of Rs. 50 (consolidated) and worked up till 19th July 1955. He left the service voluntarily. Nothing is due by him from the opposite party.

(4) *Eakub Mia, driver* on Rs. 110 (consolidated): He was a driver who worked in a leave vacancy and joined on 5th January 1955 and worked till 4th May 1955. Curiously enough he became absent from duty without any notice from 5th May 1955. As he was a temporary worker and worked as a

budle, his original incumbent having arrived his services were no longer necessary.

(5) *Matiar Rahman, driver* (on Rs. 110): He joined on 21st February 1955 and worked up to 5th April 1955 and then left. He again came on 13th April for a day only and again on 30th April 1955 and worked up till 6th July 1955. He was a driver of lorry No. WBL 7070. He was a careless driver and inexperienced too. The above lorry which was thoroughly repaired and was in good condition was very badly damaged by him through sheer negligence. This lorry had to be repaired at the expense of over Rs. 1,000 and the workman was asked to explain his conduct to which he replied. The said workman having admitted his guilt and as it was not considered any more safe to entrust the lorry under his care, his services were terminated by the opposite party on 18th July 1955. As the said discharge was the result of negligent and careless handling and as he was an inexperienced man, to discharge, was properly *bona fide* and not at all malicious. Nothing is due to him.

(6) *Rajaram Ahir, coolie* (on Rs. 50 consolidated): He joined on 2nd May 1955 and worked up to 18th July 1955. Then he left the services. No arrear of wages is outstanding.

(7) *Chandra Bali Ahir, coolie* (on Rs. 50 consolidated): He joined on 1st September 1953 and worked up till 20th May 1954 and then left the opposite party and again joined on 22nd October 1954 and worked up to 6th July 1955 and then left the service of the opposite party on his own accord. All his wages have been cleared up.

(8) *Harijan Ahir:* No such worker has ever worked.

(9) *Rajkumar Roydas, coolie:* He joined in the year 1953 on 1st May 1953 and worked till 10th August 1953 and then went away. He again joined on 4th June 1954 and worked till 23rd February 1955 having again left the opposite party on his own accord. Thereafter, he again joined on 5th May 1955 and finally left the services of the opposite party on 15th July 1955. No arrear is outstanding.

At the hearing the Union did not press the cases of 3 workmen—Shri Matiar Rahman (serial No. 5), Shri Rajaram Ahir (serial No. 6) and Shri Harijan Ahir (serial No. 9). Union has examined the remaining 6 workmen concerned (P.W. 1 to P.W. 6) and Assistant Secretary of the Street Hawkers' and Vendors' Union P.W. 7 Shri Supalchandra Chandra and a Trade Unionist attached to the Congress Party P.W. 8 Shri Nihar Banerji.

The employer, on the other hand, has examined his Manager D.W. 1 Shri Subodh Kumar Ghosh, besides proving documents Exts. A to A2, B to B6 and C to C3.

Besides, the parties referred to the award, dated 29th September 1956, in the case of Shri Dukharan Singh and their workmen as published in the *Calcutta Gazette* on 1st November 1956.

Before going into the controversy it will not be out of place to mention the facts leading to the reference as I find them for proper appreciation of the evidence. In my previous award it was found that the drivers and coolies employed by Shri Dukharan Singh were almost all up-country men. It was not disputed that a driver used to be paid a sum of Rs. 150, while a cooly Rs. 60 per month. It was also not disputed that from September 1954 the salary of the driver was reduced from Rs. 150 to Rs. 120; while of a cooly from Rs. 60 to Rs. 50. It further appears that the drivers and

coolies submitted to such reduction in the wages from September 1954 apparently reluctantly and helplessly.

It also appears that from then onwards the workmen in the employ of Shri Dukharan Singh became alive about their rights and privileges and started ventilation of grievances. The workmen started complaining that they were being employed in excess of 12 hours in contravention of Motor Vehicles Act without paying overtime. They alleged that they were not getting any leave whatsoever and that their dues and their salaries were reduced. In the circumstances, it appears that the workmen formed a Union named Calcutta Lorry Transport Workers' Union in January 1955 with workman Salamat as the Secretary. The workmen could not, however, get registration of this Union till some time in May or June 1955.

Finding that without help of a Union their cause could not be advanced, the workmen, it appears, became members of the registered Union, namely, the Hindusthan Drivers' Union, of which Shri F. U. K. Sahil was the Secretary. On 16th April 1955 the said Hindusthan Drivers' Union made a complaint on behalf of some of the drivers in the employ of Shri Dukharan Singh to the Labour Officer alleging that the drivers had been employed from 6 a.m. to 10 p.m. without any overtime allowance in violation of section 65 of the Motor Vehicles Act. It was also alleged that the drivers were not being given annual increments, weekly and public holidays, casual, medical or privilege leave. The Labour Officer in his turn sent a copy to the employer Shri Dukharan Singh for his comments on 19th May 1955, to which Shri Dukharan Singh replied on 7th June 1955. Shri Dukharan Singh denied that all his drivers became members of the Hindusthan Drivers' Union and averred that according to his information some of the drivers did not join the Union. Shri Dukharan Singh wanted to know further who of the workers became such members. Shri Dukharan Singh denied that the drivers were being employed beyond the hours admissible under the Motor Vehicles Act and stated that the drivers were treated most fairly and were in no way worse than those of the other lorry owners.

It appears that on receipt of the complaint for comments in May 1955 attitude of the employer Shri Dukharan Singh towards the drivers underwent change on account of their Union activities. From June 1956 the employer adopted different modes of payment, some employees continued to be paid on the pay sheets as before, while some by means of vouchers. From July 1955 the employer also introduced payment to the workmen on weekly basis in place of monthly basis as hithertobefore the employees were paid. These innovations it appears were adopted as a counter-measure of the Union activities on the part of the employees.

On 4th July 1955 Hindusthan Drivers' Union on behalf of the workmen employed under Shri Dukharan Singh made a complaint to the Deputy Commissioner of Police, Public Vehicles Department, complaining that the drivers of the Company were forced to work more than 15 hours daily without any overtime allowance. On 10th July 1955 a workman Ram Kewat in the employ of Shri Dukharan Singh lodged a complaint at Burtola police-station complaining that he and others were being threatened to cease connection with the Union and that their signatures were taken by the employer in blank paper. On that very date another workman also lodged such information in the same police-station. On 12th July 1955 Hindusthan Drivers' Union wrote to the Assistant Labour Commissioner in reply to the comments of Shri Dukharan Singh as forwarded to it that the drivers were

forced to sign that they had no connection with the Union under threats of goondas employed by the employer. Union reiterated their claims for fixation of duty hours, rate of overtime, pay scale, annual and casual leave, weekly and public holidays. On 15th July 1955 the two workmen employed by Shri Dukharan Singh lodged information with Burtola police-station to the effect that they were being threatened by the employer that unless they ceased connection with the Union their services would be terminated and that their signatures were taken on blank paper. On 17th July 1955 Salamat lodged information at Burtola police-station that he was discharged on that very date by the employer Shri Dukharan Singh when he protested to the employer's direction to leave the Union affairs. On 12th August 1955 another workman Guruprosad Lala lodged information with Burtola police-station to the effect that when he protested against the employer's direction to leave the Union, he was discharged from service on 10th July 1955 (*vide* award, dated 29th September 1956, in the case of Dukharan Singh and their workmen published in the *Calcutta Gazette*, dated 1st November 1956).

Against this background the first reference was made by Government on 29th September 1955 in respect of 3 workmen Mustafa Hossain, Guruprosad Lala and Shri Salamat represented by Hindusthan Drivers' Union out of 16 workmen said to have been dismissed. Thereafter the present reference under adjudication was made on 23rd April 1956 relating to the 9 workmen. In the reference as in the past, Hindusthan Drivers' Union were mentioned as representing the workmen. After receipt of the reference and after summons, the workmen put in appearance and stated that the Secretary Shri F. U. K. Sahil having been forced to leave the Hindusthan Drivers' Union, they resigned their membership of the said Union and became members of Calcutta Lorry Transport Workers' Union of Congress Bhawan. They accordingly authorised the Calcutta Lorry Transport Workers' Union to represent them before this Tribunal. The said Union thus filed the written statement before this Tribunal.

Against this background let us now consider the cases of the workmen separately.

(1) *Shri Ram Bodh Ahir:* He is P.W. 1. He claimed to have served as a cooly in the lorry of Shri Dukharan Singh. He deposed that he was dismissed for his Union activities on 17th July 1955.

The employer, on the other hand, pleaded that there was no worker of that name in his employ. D.W. 1 also deposed to that effect. The attendance register also revealed that there was no such worker. From the records of the conciliation proceedings, it also appears that no worker of that name was mentioned in the petition of complaint to the Labour Officer but one Ram Oudh Ahir. The attendance register of the Company reveals that a workman of the name of Ram Oudh Ahir did, in fact, serve as a cooly in the lorry of Shri Dukharan Singh up to 31st May 1955. D.W. 1 did not know Ram Oudh Ahir personally. He, however, said in re-examination that after P.W. 1 Ram Bodh Ahir had left the witness-box he was told that he was the same man as Ram Oudh Ahir of their attendance register. The attendance register, however, belies the positive case of P.W. 1 that he was dismissed on 17th July 1955 on account of his Union activities. The attendance register, it has already been noted, showed that the workman Ram Oudh Ahir served till 31st May 1955 and then left. The payment book also showed that the said Ram Oudh Ahir received payment only up to the month of May 1955. There is nothing to show that the said Ram Oudh Ahir (P.W. 1) did serve after 31st May 1955. When he had served only up to 31st May 1955 there was no question of dismissal on 17th July 1955 on account of alleged Union activities. It has also been

noted that the employer did not take serious view about Union activities in the month of May 1955. From the materials on record, I am, therefore, unable to accept the evidence of P.W. 1 that he had served beyond 31st May 1955 and that he was dismissed on 17th July 1955 on account of his Union activities. I accept the records of the employer and find that he had himself left after service till 31st May 1955. P.W. 1 is, therefore, entitled to no relief.

(2) *Shri Biswanath Tewari:* He is P.W. 2. He was employed as a cooly in the lorry of Shri Dukharan Singh on a salary of Rs. 50 per month. According to the workman he had served there for 10 months and as he joined the Union and refused to leave it he was dismissed on 17th July 1955. The employer, on the other hand, pleaded that he joined on 11th March 1955 and worked up to 19th July 1955 and then he left the service voluntarily. D.W. 1 also deposed to that effect. The entry in the attendance register (Ext. B1) shows that he had served till 19th July 1955. Exhibit C1, dated 21st July 1955, under which workman Shri Biswanath Tewari received payment of his salary under his signature shows that he had so received payment for 27 days of June and 19 days in July in full and final settlement. Therefore, the case of P.W. 2 that he was dismissed on 17th July 1955 is not true. P.W. 2's evidence that he was dismissed as he became member of the Calcutta Lorry Transport Workers' Union is unreliable, as it has already been noted that Calcutta Lorry Transport Workers' Union did not get recognition before May/June 1955 and that the said Union did not at all come into the picture but only the Hindusthan Drivers' Union before the reference. From the materials on record I am therefore unable to believe P.W. 2. I accept the case of the employer as being more probable and natural. He is therefore entitled to no relief.

(3) *Shri Kishori Goala:* He is P.W. 3. He was a lorry driver in the concern of Shri Dukharan Singh. He deposed that he was a member formerly of the Hindusthan Drivers' Union and subsequently of Calcutta Lorry Transport Workers' Union, and that Shri Dukharan Singh's Bhatija, Shri Harihar Singh, wanted him to leave the Union and as he refused he was dismissed on 18th July 1955. He had, however, to admit in cross-examination the employer's version of service in the concern. He admitted that he joined on 17th May 1954 and worked up to 31st December 1954, and then rejoined on 12th January 1955. He also deposed in cross-examination that he then fell ill and was absent for one year. This would show he could not have been dismissed on 18th July 1955 on account of his Union activities as alleged. His evidence rather shows that he had himself left. I, therefore, accept the employer's version of the case that he voluntarily left after service till 30th April 1955.

(4) *Shri Eakub Mia:* He is P.W. 4. He was a lorry driver in the concern of Shri Dukharan Singh. According to him he served there for 9 months up to 4th May 1955. According to the employer he joined on 5th January 1955 and worked till 4th May 1955 and then started to absent from 5th May 1955. The attendance register (Ext. B2) also shows that he was absent from 5th May 1955. D.W. 1 stated that Eakub Mia joined as a *budli* in place of Ram Naresh Missir who went home and started to absent from 5th May 1955 and subsequently sent a medical certificate when they granted permission to him. Exhibit A1, dated 4th June 1955, is a medical certificate which the employer claims to have received from Eakub Mia by post. The certificate recommends for Eakub Mia further rest and treatment for one month. Eakub Mia denies having sent the said certificate. I am not prepared to accept his denial. He must have sent the said certificate. In reply to the said certificate the employer wrote by registered post with

acknowledgment due to Eakub Mia on 7th June 1955. By that letter the receipt of the medical certificate was acknowledged and his employment was terminated from 12th May 1955 on the ground of continued absence. Exhibit A2 is claimed by the employer to be the acknowledgment in respect of the said letter purported to have been signed by Eakub Mia on 9th June 1955. Eakub denies the acknowledgment as having been signed by him. From the evidence and circumstances, the denial cannot be accepted to be true. It, however, appears that in terminating his employment principles of natural justice were not followed and that termination of employment has not been proper. Continued absence cannot have the effect of automatic termination unless it is specifically provided in the standing orders. When the employer has no standing orders the employee could not have been dealt with summarily as was done. The fact that he was appointed temporarily would not alter the position. The employer was bound to give him charge-sheet and obtain explanation before taking action. The termination has not, therefore, been proper. As, however, he was appointed on temporary basis, I do not direct reinstatement. I allow him compensation equivalent to two months' wages. The employer is to pay the compensation within a month from the date the award becomes enforceable.

(5) *Shri Matiar Rahman:* He was a driver. He did not turn up at the hearing. The Union also did not press his case.

(6) *Shri Rajaram Ahir:* He too did not turn up at the hearing. The Union also did not press his case.

(7) *Shri Rajkumar Roydas:* He is P.W. 5. He was a cooly in the lorry of Shri Dukharan Singh. It was his definite case that he was dismissed on account of Union activities and that his salary for one month 12 days was not paid to him. In his deposition before this Tribunal he stated that Shri Dukharan Singh asked him whether he was a member of the Union and when he replied in the affirmative he was sacked on 13th August 1955. He also deposed that his salary for one month 12 days up to 12th August 1955 was in arrear.

The employer, on the other hand, in his written statement pleaded that Rajkumar Roydas finally left his service on 15th July 1955 and nothing was outstanding. During hearing D.W. 1 stated that Rajkumar Roydas served till 10th August 1955 and that his salary for one month 3 days was in arrear. In cross-examination D.W. 1 stated that Rajkumar Roydas was not paid his dues till the date of his service as he did not turn up to receive the same. The fact that Rajkumar Roydas was not forthwith paid his dues, would support that he did not voluntarily leave the service. The entry in the attendance register relating to Rajkumar Roydas (Ext. B5) shows that there has been overwriting in respect of dates 11th, 12th and 13th August 1955 to suggest that the original writing "p" conveying presence was turned into "a" indicating absence. This would also support Rajkumar Roydas's evidence that he served till 12th and then on the 13th he was dismissed. From the evidence and circumstances I believe his version that he was dismissed on account of his Union activities on 13th August 1955. The workman Rajkumar Roydas is accordingly entitled to be reinstated with full back wages. The employer is directed to reinstate the workman on his reporting for duty within 15 days from the date the award becomes enforceable. Shri Dukharan Singh is also to pay his back wages within a month from the date the award becomes enforceable.

(8) *Shri Chandra Bali Ahir:* He is P.W. 6. He was a cooly in the employ of Shri Dukharan Singh. His case in the written statement was that he was dismissed on 18th July 1955 on account of his Union activities. In his deposition he, however, stated that he was dismissed on 7th September 1955. In cross-examination he gave a different story and stated that he worked up to 6th July 1955 and then left for home on 1½ months' leave. He further said that after 1½ months when he returned from home and went for work Shri Dukharan Singh was willing to give him employment in his van carrying a lesser salary which he declined to accept. He also said that Shri Dukharan Singh promised that when vacancies would occur in respect of lorry, he would be taken in. This would show that he was not dismissed on account of his Union activities but he himself left. Exhibit C, dated 7th July 1955, shows that Shri Chandrabali Ahir received his salary up to 6th July 1955 in full satisfaction of his claim till then. This would also confirm that he left voluntarily. From the evidence I find that there was no system of leave in the concern. Workman's version that he was on leave cannot, therefore, be accepted. I accept employer's version that he left the job after service till 6th July 1955. He is, therefore, entitled to no relief.

(9) *Shri Harijan Ahir:* He did not turn up at the hearing. The Union also did not press his case.

Issue No. 2.—The Union demands privilege leave, casual leave and sick leave besides weekly and other holidays with pay. The employer resists the claim. It contends in short that all employments in the concern are of casual and temporary nature and none on permanent basis and accordingly no question of grant of any leave can arise.

The employer Shri Dukharan Singh, it has already been noted, carries on business as a transport contractor. The workman employed by him, it appears, are so employed on the system of "no work, no pay". It further appears that the workmen do not work continuously for more than 7 to 8 months and that they work and leave at their pleasure and when they leave they have no lien to further appointment. There cannot be provision for leave unless the employment lasts at least throughout the year. In the existing service conditions as aforesaid I am, therefore, unable to provide for any kind of leave to the workmen. The Union's demand is accordingly rejected.

I award accordingly.

GOVERNMENT OF WEST BENGAL

DEPARTMENT OF HEALTH

Public Health

NOTIFICATION

No. P.H.820/2R-7/57.—21st February 1957.—Whereas the Governor is satisfied that the municipal area of Bhatpara is threatened with an outbreak of smallpox;

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of smallpox, and for the medical inspection, isolation, observation and surveillance of persons suffering from or suspected of being infected with smallpox in the said municipal area for a period of six months:—

Temporary Regulations for the Prevention and Control of Smallpox

1. In these regulations, unless there is anything repugnant in the subject or context:—

(a) "Health Officer" means the Health Officer of the municipality;

(b) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(c) "Smallpox" means any disease accompanied by an eruption of vesicles or pustules;

(d) "Patient" means a person suffering from or suspected to be suffering from smallpox;

(e) "Medical practitioner" means any person practising the medical profession.

Notices

2. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of smallpox, he may forthwith take such steps as he may think fit for carrying out the work and shall thereafter as soon as possible, issue a notice on the person concerned stating the reason why such work has been carried out.

3. If any measure which the Health Officer or a Sanitary Inspector has, by a notice issued under these regulations required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Cost and compensation

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the person in possession of the property, the municipality may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order, issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease

6. When a case of smallpox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than patient of the house shall within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the nearest Sanitary Inspector. When the inmates of the house are all females the medical attendant or the senior male inmate of the nearest house shall give the required information.

7. (1) Every medical practitioner called in to attend upon any case of smallpox shall forthwith give notice of the case by a special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(2) The Doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of smallpox brought to such hospital or dispensary for treatment to a Sanitary Inspector or to the Health Officer by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

8. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of case of smallpox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is or suspected to be, suffering from smallpox or who, in his opinion, may be infected with or likely to spread smallpox.

Isolation of patients

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein.

11. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from smallpox, shall be segregated for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer or a Sanitary Inspector.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from small-pox shall be vaccinated or re-vaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10 without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the municipality shall provide for him free of charge a suitable place, with necessary attendants, diet, etc.

15. No person, who is or has been suffering from smallpox, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of smallpox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons, other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector may, during the prevalence of any outbreak of smallpox, order that any bazar, shop or other public place shall remain closed for such time as may appear to be necessary and may forbid the holding of any fair, mela or other gathering to which people from several villages commonly or periodically resort.

Miscellaneous

18. The Health Officer or a Sanitary Inspector may require any person to allow to be carried out by such agency and within such time as may be specified in the order, such measures for the disinfection of any premises in the occupation of such person or for the disinfection or destruction of any of his personal effects, as the said officer or inspector may consider necessary.

19. The Health Officer or a Sanitary Inspector may direct the owner or occupier of any premises to take steps to have vaccinated or re-vaccinated within a time to be specified in the order any person residing on such premises and under the control of such owner or occupier if the Health Officer or a Sanitary Inspector is of opinion that such person has been in contact with any one suffering from smallpox.

20. The Health Officer or a Sanitary Inspector may forbid any person who has been a patient or who has to his knowledge been in contact with a patient to act as vendor of any article for such period as may be specified in the order.

21. No person shall sell any article which has been in contact with a patient until it has been disinfected to the satisfaction of the Health Officer or a Sanitary Inspector.

22. The Health Officer or a Sanitary Inspector may issue general orders that by a specified date certain sanitary precautions of a simple nature, such as lime-washing of house, clearing of latrines or the removal of filth or rubbish shall be carried out to his satisfaction.

23. The Health Officer or a Sanitary Inspector may prohibit persons from retaining or selling clothes taken from the bodies of persons who have died of smallpox and may cause any such clothes to be destroyed.

24. No person shall carry or permit to be carried in a public conveyance a patient except in the case where a patient is carried to a hospital with the following precautions against spreading the disease, namely:—

(i) that he is so well covered that the discharge and scabs from the lesions do not come directly into touch with the body of the conveyance;

(ii) that he is taken to the hospital direct and the conveyance does not halt at any other place for transacting any business; and

(iii) that excepting one or two attendants for the patient no other person is carried in the conveyance at the same time.

NOTIFICATION

No. P.H.888/2R-10/57.—28th February 1957.—Whereas the Governor is satisfied that the municipal area of South Dum Dum is threatened with an outbreak of smallpox;

Now, therefore, in exercise of the power conferred by section 2 of the Epidemic Diseases Act, 1897 (III of 1897), the Governor is pleased to prescribe the following temporary regulations for the prevention and control of smallpox, and for the medical inspection, isolation, observation and surveillance of persons suffering from or suspected of being infected with smallpox in the said municipal area for a period of six months:—

Temporary Regulations for the Prevention and Control of Smallpox

1. In these regulations, unless there is anything repugnant in the subject or context:—

(a) "Health Officer" means the Health Officer of the municipality;

(b) "Sanitary Inspector" means a Sanitary Inspector appointed by the municipality;

(c) "Smallpox" means any disease accompanied by an eruption of vesicles or pustules;

(d) "Patient" means a person suffering from or suspected to be suffering from smallpox;

(e) "Medical practitioner" means any person practising the medical profession.

Notices

2. If in any case the Health Officer or a Sanitary Inspector considers that the issue of a notice under these regulations is likely to lead to such an amount of delay as might facilitate the spread of smallpox, he may forthwith take such steps as he may think fit for carrying out the work and shall thereafter as soon as possible issue a notice on the person concerned stating the reason why such work has been carried out.

3. If any measure which the Health Officer or a Sanitary Inspector has by a notice issued under these regulations required to be carried out, be not carried out to his satisfaction within the time stated in the notice the Health Officer or a Sanitary Inspector shall be entitled to carry out the measure.

Cost and compensation

4. (1) All expenses incurred in carrying out any work in pursuance of an order issued under these regulations shall be paid by the municipality except in any case where the order directs a person to carry out any work in relation to property in his possession, in which case the expenses shall be paid by such person:

Provided that where the conditions, which led the Health Officer or a Sanitary Inspector to pass such an order, are not attributable to any act or default of the person in possession of the property, the municipality may pay to such person the whole or a part of the expenses incurred by him in carrying out the order.

(2) The municipality may recover all expenses incurred by the Health Officer or a Sanitary Inspector in carrying out the measure under regulation 3 from the person or persons to whom the notice was originally issued.

5. The municipality shall pay adequate compensation to any person who has sustained substantial loss or damage by reason of anything done under these regulations:

Provided that no person shall receive any compensation for anything done or suffered under these regulations, if he has failed to carry out an order issued under these regulations within the time specified in the order and to the satisfaction of the Health Officer or a Sanitary Inspector.

Location of disease

6. When a case of smallpox occurs in a house, the nearest male relative in attendance upon the patient, or in the absence of any such relative the occupier of the house, or if the occupier be the patient, the senior male inmate of the house other than patient of the house shall, within twenty-four hours of the onset of the disease, give information regarding the occurrence of such case either personally or in writing to the nearest Sanitary Inspector. When the inmates of the house are all females the medical attendant or the senior male inmate of the nearest house shall give the required information.

7. (1) Every medical practitioner called in to attend upon any case of smallpox shall forthwith give notice of the case by a special messenger to the Health Officer or a Sanitary Inspector and the cost of such messenger in each case shall be defrayed by the municipality.

(2) The Doctor-in-charge of a hospital or a dispensary within the municipality shall forthwith give notice of any case of smallpox brought to such hospital or dispensary for treatment to a Sanitary Inspector or to the Health Officer by a special messenger and the cost of such messenger in each case shall be defrayed by the municipality.

8. Registrars of births and deaths shall supply to the Health Officer or a Sanitary Inspector such periodical returns of case of smallpox as he may from time to time call upon them to furnish.

9. The Health Officer or a Sanitary Inspector may examine any person who is or suspected to be, suffering from smallpox or who, in his opinion, may be infected with or likely to spread smallpox.

Isolation of patients

10. When the Health Officer or a Sanitary Inspector considers that the isolation of any patient is a precaution necessary for the protection of the neighbouring population, he shall order the patient to observe isolation and may order the nearest relative in attendance on the patient, or the occupier of the house in which the patient is staying to arrange for the isolation of the patient in such a manner and for such a time as may be approved by the Health Officer or a Sanitary Inspector.

He shall not direct the patient to be removed from the house unless it is, in his opinion, impossible to make proper arrangements for his isolation therein.

11. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person suffering from smallpox shall be kept under surveillance for a period not exceeding a fortnight in a manner and in a place to be approved by the Health Officer or a Sanitary Inspector.

12. The Health Officer or a Sanitary Inspector may order that any person who has been in contact with a person found to be suffering from smallpox shall be vaccinated or re-vaccinated within a time to be specified in the order.

13. No person shall enter any place wherein a patient is isolated under regulation 10 without the permission of the Health Officer or a Sanitary Inspector.

14. When a patient has been removed from a house for isolation under regulation 10, the municipality shall provide for him free of charge a suitable place with necessary attendants, diet, etc.

15. No person, who is or has been suffering from smallpox, shall leave the place where he has been staying until he has received from the Health Officer or a Sanitary Inspector written permission to do so.

16. No person while suffering from evident symptoms of smallpox or in the convalescent state of the disease with scabs of pocks on his body shall expose himself in any street, road, public place, shop, bazar or any place used in common by persons, other than members of the family or household to which such infected person belongs or shall move from place to place unless he is proceeding to a hospital for admission and treatment.

17. The Health Officer or a Sanitary Inspector may, during the prevalence of any outbreak of smallpox, order that any bazar, shop or other public place shall remain closed for such time as may appear to be necessary and may forbid the holding of any fair, mela or other gathering to which people from several villages commonly or periodically resort.
